Article 2. Applications .

§ 8100. Temporary Licenses.

A temporary license is a conditional license that authorizes the licensee to engage in commercial cannabis activity as a licensee would be permitted to do under the privileges of an annual license of the same type. A temporary licensee shall follow all applicable statutes and regulations as a licensee would be required to do if the licensee held an annual license of the same type.

(a) Temporary license applications shall be completed and submitted online at calcannabis.cdfa.ca.gov or mailed to the department at P.O. Box 942871, Sacramento, CA 94271.

(b) An application for a temporary cultivation license shall include the following:

(1) The license type, pursuant to section 8201 of this chapter, for which the applicant is applying and whether the application is for an M-license or A-license;

(2) If the applicant has already submitted an application for annual licensure, the application number;

(3) The legal business name of the applicant entity;

(4) The full legal name, mailing address, phone number, email address, and affiliation of the designated responsible party who shall:

(A) Be an owner with legal authority to bind the applicant entity;

(B) Serve as agent for service of process; and (C) Serve as primary contact for the application. (5) The physical address of the premises;

(6) A copy of a valid license, permit, or other authorization, issued by a local jurisdiction, that enables the applicant entity to conduct commercial cannabis activity at the location requested for the temporary license. For the purposes of this section, "other authorization" shall include, at a minimum, a written statement or reference that clearly indicates the local jurisdiction intended to grant permission to the applicant entity to conduct commercial cannabis activity at the premises.

(7) A proposed cultivation plan pursuant to section 8106 of this chapter;

(8) Identification of all of the following applicable water sources used for cultivation activities and the applicable supplemental information for each source pursuant to section 8107 of this chapter:

(A) A retail water supplier;

(B) A groundwater well;

(C) A rainwater catchment system;

(D) A diversion from a waterbody or an underground stream flowing in a known and definite channel.

(9) Evidence of enrollment with the applicable Regional Water Quality Control Board or State Water Resources Control

Board for water quality protection programs or written verification from the appropriate board that enrollment is not necessary.

(c) When the applicant provides a license, permit, or other authorization from the local jurisdiction where the licensed premises will be or is located, the department shall notify the contact person for the local jurisdiction pursuant to section 26055 of the Business and Professions Code. If the local jurisdiction does not respond to the department's notification within ten (10) calendar days, the department may issue a temporary license to the applicant.

(d) A temporary license issued pursuant to this chapter shall be valid for one-hundred twenty (120) days from the effective date. No temporary license shall be effective prior to January 1, 2018.

(e) A temporary license may be extended for additional ninety (90) day periods if a complete application for licensure has been submitted to the department pursuant to section 8102 of this chapter.

(f) A temporary license does not obligate the department to issue an annual license nor does the temporary license create a vested right in the holder to either an extension of the temporary license or to the granting of a subsequent annual license.

(g) Temporary applications and licenses are exempt from fees. (h) This section shall remain in effect until January 1, 2019.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013, 26050.1, and 26055, Business and Professions Code.

- (1) If the water source is a retail water supplier, as defined in section 13575 of the Water Code, such as a municipal provider, identify the retail water supplier.

(2) If the water source is a small retail water supplier, such as a delivery service, and is subject to subsection (a)(1)(B) of section 26060.1 of the Business and Professions Code:

(A) If the retail water supplier contract is for delivery or pickup of water from a surface water body or an underground stream flowing in a known and definite channel, provide all of the following:

(i) The name of the retail water supplier under the contract;

(ii) The geographic location coordinates in either latitude and longitude or the California Coordinate System of any point of diversion used by the retail water supplier to divert water delivered to the applicant under the contract;

(iii) The authorized place of use of any water right used by the retail water supplier to divert water delivered to the applicant under the contract; and

(iv) The maximum amount of water delivered to the applicant for cannabis cultivation in any year.

(B) If the retail water supplier contract is for delivery or pickup of water from a groundwater well, provide all of the following:

(i) The name of the retail water supplier;

(ii) The geographic location coordinates for any groundwater well used to supply water delivered to the applicant, in either latitude and longitude or the California Coordinate System;

(iii) The maximum amount of water delivered to the applicant for cannabis cultivation in any year; and

(iv) A copy of the well log filed with the Department of Water Resources pursuant to section 13751 of the Water Code for each percolating groundwater well used to divert water delivered to the applicant. If no well log is available, the applicant shall provide evidence from the Department of Water Resources indicating that the Department does not have a record of the well log. When no well log is available, the State Water Resources Control Board may request additional information about the well.

(b) If the water source is a groundwater well:

(1) The groundwater well's geographic location coordinates in either latitude and longitude or the California Coordinate System; and

(2) A copy of the well log filed with the Department of Water Resources pursuant to section 13751 of the Water Code.

If no well log is available, the applicant shall provide evidence from the Department of Water Resources indicating that the Department of Water Resources does not have a record of the well log. If no well log is available, the State Water Resources Control Board may request additional information about the well.

(c) If the water source is a rainwater catchment system:

(1) The total square footage of the catchment footprint area(s);

(2) The total storage capacity, in gallons, of the catchment system(s); and

(3) A detailed description of the type, nature, and location of each catchment surface. Examples of catchment surfaces include a rooftop and greenhouse.

(d) If the water source is a diversion from a waterbody or an underground stream flowing in a known and definite channel, provide any applicable statement, application, permit, license, or small irrigation use registration identification number(s);, and either:

(1) A copy of any applicable registrations, permits, or licenses or proof of a pending application, issued under part 2 (commencing with section 1200) of division 2 of the California Water Code as evidence of approval of a water diversion by the State Water Resources Control Board;

(2) A copy of any statements of diversion and use filed with the State Water Resources Control Board before October 31, 2017 detailing the water diversion and use; or

(3) A copy of documentation submitted to the State Water Resources Control Board before October 31, 2017 demonstrating that the diversion is authorized under a riparian right and that no diversion occurred in any calendar year between January 1, 2010 and January 1, 2017.

(4) If the applicant has claimed an exception from the requirement to file a statement of diversion and use pursuant to section 5101 of the Water Code, the applicant shall provide a copy of the documentation submitted to the State Water Resources Control Board before January 1, 2019 demonstrating that the diversion is subject to subsection (a), (c), (d), or (e) of section 5101 of the Water Code.

§ 8109. Applicant Track-and-Trace Training Requirement.

(a) Each applicant shall register for track-and-trace system training provided by the department within ten (10) business days of receiving notice from the department that their application for licensure has been received and is complete. (b) Documentation of training completion shall be provided to the department within ten (10) business days of completion.

Applicants approved for an annual license shall not have access to the track-and-trace system until the licensee’s designated account manager has completed, and provided proof of completion, of the track-and-trace training prescribed by the department.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013 and 26067, Business and Professions Code.

§ 8110. Proof of Local License, Permit, or Other Authorization.

When the applicant provides a license, permit, or other authorization from the local jurisdiction where the licensed premises will be or is located, pursuant to section 26055(e) of the Business and Professions Code, the department will notify the local jurisdiction’s contact person identified pursuant

to section 26055(f) of the Business and Professions Code. If the local jurisdiction does not respond to the department's notification within ten (10) calendar days, the department may issue a license to the applicant.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013 and 26055, Business and Professions Code.

§ 8111. Priority Application Review.

(a) Priority review of annual license applications shall be given to applicants that can demonstrate the commercial cannabis applicant entity was in operation under the Compassionate Use Act of 1996 before September 1, 2016.

(b) Eligibility for priority application review shall be demonstrated by any of the following, dated prior to September 1, 2016:

(1) Local license, permit, or other authorization;

(2) Collective or cooperative membership agreement;

(3) Tax or business forms submitted to the California Department of Tax and Fee Administration or Franchise Tax Board;

(4) Incorporation documents filed with the Secretary of State;

(5) Any other verifiable business record adequate to demonstrate the operation of the business prior to September 1, 2016; or (6) Any applicant identified by the local jurisdiction pursuant to section 26054.2(b) of the Business and Professions Code.

(c) The department may request additional documentation to verify the applicant's date of commencement of operations. (d) This section shall cease to be operative on December 31, 2019, unless otherwise provided by law.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013 and 26054.2, Business and Professions Code.

§ 8112. Annual License Application Review for Completeness.

The department shall notify the applicant in writing that the application is either: (a) Complete and accepted for further review; or (b) Incomplete and the reasons for the incompleteness.

(1) The department shall receive the missing information from the applicant no later than ninety (90) calendar days from the date of the notification from the department. Failure to provide the designated missing information will result in disqualification of the application from further consideration.

(2) If disqualified, the applicant may reapply and pay a new application fee.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26012 and 26013, Business and Professions Code.

§ 8113. Substantially Related Offenses Review.

(a) The following convictions shall be considered substantially related to the qualifications, functions, or duties of the business for which the application is made and may be a basis for denying the license:

(1) A violent felony conviction, as specified in subsection (c) of section 667.5 of the Penal Code;

(2) A serious felony conviction, as specified in subsection (c) of section 1192.7 of the Penal Code;

(3) A felony conviction involving fraud, deceit, or embezzlement;

(4) Any felony conviction involving the hiring, employment, or use of children in transporting, carrying, selling, giving away, preparing for sale, or peddling any controlled substance to a minor, or offering, furnishing, or selling any controlled substance to a minor; and (5) A felony conviction for drug trafficking with enhancements pursuant to sections 11370.4 or 11379.8 of the Health and Safety Code.

(b) Except as provided in subsections (a)(4) and (5) and notwithstanding chapter 2 (commencing with section 480) of division 1.5 of the Business and Professions Code, a prior conviction, where the sentence, including any term or probation, incarceration, or supervised release, is completed, for possession of, possession for sale, sale, manufacture, transportation, or cultivation of a controlled substance is not considered substantially related, and shall not be the sole ground of denial for a license. Conviction for any controlled substance felony subsequent to licensure shall be grounds for revocation of a license or denial of the renewal of the license.

(c) To determine whether an applicant who has been convicted of a criminal offense that is substantially related to the qualifications, functions, or duties of the business for which the application is made should be issued a license, the department shall conduct a review of the nature of the crime, conviction, circumstances, and evidence of rehabilitation. Evidence of rehabilitation includes:

(1) The nature and severity of the criminal offense;

(2) Whether the person has a felony conviction based on possession or use of cannabis or cannabis products that would not be a felony if the person was convicted of the offense on the date of the person's application;

(3) The applicant's criminal record as a whole;

(4) Evidence of any conviction of a criminal offense committed subsequent to the criminal offense under consideration that could be considered grounds for denial, suspension, or revocation of a commercial cannabis activity license;

(5) The time that has elapsed since commission of the act or offense;

(6) The extent to which the applicant has complied with any terms of parole, probation, restitution, or any other sanctions lawfully imposed against the applicant;

(7) If applicable, evidence of dismissal under sections 1203.4, 1203.4a, and 1203.41 of the Penal Code or another state's similar law;

(8) If applicable, a certificate of rehabilitation obtained under section 4852.01 of the Penal Code or another state's similar law; and

(9) Other evidence of rehabilitation submitted by the applicant.

(d) If an applicant has been denied a license based on a substantially related conviction, the applicant may request a hearing pursuant to section 26058 of the Business and Professions Code to determine if the applicant should be issued a license.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013, 26057, and 26058, Business and Professions Code.

§ 8114. Withdrawal of Application.

An applicant may withdraw an application at any time prior to the department's issuance of a license or denial of a license. (a) Requests to withdraw an application shall be submitted to the department in writing, dated, and signed by the designated responsible party.

(b) The department will not refund application fees for a withdrawn application.

(c) An applicant may reapply and pay a new application fee at any time following the withdrawal of an application.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Section 26013, Business and Professions Code.

§ 8115. Notification and Grounds for Denial of License; Petition for Reconsideration.

(a) The department shall notify the applicant in writing if the application is denied with the reasons for denial.

(b) In addition to the reasons for denial in section 26057 of the Business and Professions Code, a license may be denied for the following reasons:

(1) The applicant's premises does not fully comply with standards pursuant to this chapter;

(2) The applicant denied the department access to the premises to verify compliance with this chapter;

(3) The applicant made a material misrepresentation on the application;

(4) The licensee had a license, permit, or other authorization to engage in commercial cannabis activity denied, suspended, or revoked by a state licensing authority or local agency; or

(5) The applicant or licensee has outstanding fees owed to the department.

(c) Within thirty (30) days upon service of the denial of an application, the applicant may file a written petition. Upon receipt of a timely filed petition, the department shall set a date for a hearing to be conducted pursuant to chapter 5 (commencing with section 11500) of part 1 of division 3 of title 2 of the Government Code.

(c) A licensee shall provide additional documentation requested by the department to evaluate the licensee's request.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26012, 26013, and 26055, Business and Professions Code.

§ 8206. Death or Incapacity of a Licensee.

(a) In the event of the death, incapacity, receivership, assignment for the benefit of creditors of a licensee, or other event rendering a licensee incapable of performing the duties associated with the license, the licensee's successor in interest (e.g., appointed guardian, executor, administrator, receiver, trustee, or assignee) shall notify the department within ten (10) business days.

(b) To continue operations or surrender the existing license, the successor in interest shall submit to the department the following:

- (1) The name of the successor in interest;
 - (2) The name of the licensee for which the successor in interest is succeeding and the license number;
 - (3) The phone number, mailing address, and email address of the successor in interest; and
 - (4) Documentation demonstrating that the licensee is incapable of performing the duties associated with the license such as a death certificate or a court order finding the licensee lacks capacity, and documentation demonstrating that the individual making the request is the licensee's successor in interest, such as a court order appointing guardianship, or a will or trust agreement.
- (c) The department may give the successor in interest written approval to continue operations on the licensed business premises for a period of time specified by the department if:
- (1) The successor in interest or another person has applied for a license from the department for the license location and that application is under review; or
 - (2) The successor in interest needs additional time to destroy or sell cannabis or nonmanufactured cannabis products; or
 - (3) At the discretion of the department.
- (d) The licensee's successor in interest is held subject to all terms and conditions under which a state cannabis license is held pursuant to the Act and the regulations of this chapter.
- (e) The approval creates no vested right to the issuance of a state cannabis license.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26012 and 26013, Business and Professions Code.

§ 8207. Disaster Relief.

- (a) If a licensee is unable to comply with any licensing requirement(s) due to a disaster, the licensee may notify the department of this inability to comply and request relief from the specific licensing requirement(s).
- (b) The department may exercise its discretion to provide temporary relief from specific licensing requirements for licensees whose operations have been impacted by a disaster.
- (c) Temporary relief from specific licensing requirements shall be issued for a reasonable amount of time in order to allow the licensee to recover from the disaster.

(d) The department may require that certain conditions be followed in order for a licensee to receive temporary relief from specific licensing requirements.

(e) A licensee shall not be subject to an enforcement action for a violation of a licensing requirement in which the licensee has received temporary relief.

(f) For the purposes of this section, "disaster" means fire, flood, storm, tidal wave, earthquake, or similar public calamity, when the Governor through an executive order has declared a state of emergency, whether or not it resulted from natural causes.

(g) A licensed premises that has been vacated by a licensee due to a disaster shall not be deemed to have been surrendered, abandoned, or quit pursuant to section 8208 of this chapter.

(h) Notwithstanding subsection (a) of this section, if a licensee needs to move cannabis and nonmanufactured cannabis products stored on the premises to another location immediately to prevent loss, theft, or degradation of the cannabis and nonmanufactured cannabis products from the disaster, the licensee may move the cannabis without obtaining prior approval from the department if the following conditions are met:

(1) The cannabis and nonmanufactured cannabis products are moved to a secure location where access to the cannabis can be restricted to the licensee, its employees, and contractors;

(2) The licensee notifies the department in writing that the cannabis and nonmanufactured cannabis products have been moved and that the licensee is requesting relief from complying with specific licensing requirements pursuant to subsection (a) of this section within twenty-four (24) hours of moving the cannabis;

(3) The licensee provides the department access to the location where the cannabis and nonmanufactured cannabis products have been moved to for inspection; and

(4) The licensee submits in writing to the department within ten (10) calendar days of moving the cannabis and nonmanufactured cannabis products a request for temporary relief that clearly indicates what the statutory and regulatory sections relief is requested from, the time period for which the relief is requested, and the reasons relief is needed for the specified amount of time.

(3) Cannabis and nonmanufactured cannabis products are weighed or counted for entry into the track-and-trace system; and

(4) The weighing device is used for commercial purposes as defined in section 12500 of the Business and Professions Code.

(b) In any county in which a county sealer is unable or not required to register, test, and seal weighing devices used by a licensee for commercial purposes, the department may perform the duties of the county sealer in the same manner, to the same extent, and with the same authority as if they had been the duly appointed countysealer in such county. In those instances, the department shall charge a licensee for its services using the schedule of fees established in Business and Professions Code section 12240.

(c) For the purposes of this chapter a licensee must use wet weight or net weight. Wet weight and net weight shall be measured, recorded and reported in U.S. customary units (e.g., ounce or pound); or International System of Units (e.g., kilograms, grams, or milligrams).

(d) For the purposes of this chapter, count means the numerical count of the individual cannabis plants, seeds or nonmanufactured cannabis product units.

(e) A licensee shall be licensed as a weighmaster for commercial shipments of cannabis and nonmanufactured cannabis products. A certificate issued by a licensed weighmaster shall be consistent with the requirements in chapter 7 (commencing with section 12700) of division 5 of the Business and Professions Code.

Authority: Sections 12027, 26012 and 26013, Business and Professions Code. Reference: Chapter 7 (commencing with Section 12700) of Division 5, Sections 12210, 12212, 26013 and 26060, Business and Professions Code.

§ 8214. Commercial Cannabis Activity Between Licensees.

NCultivation licensees may conduct commercial cannabis activities with any other licensee, regardless of the A or M designation of the license.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26001, 26013, and 26053, Business and Professions Code.

§ 8215. Personnel Prohibited from Holding Licenses.

(a) A license authorized by the Act and issued by the department may not be held by, or issued to, any person holding office in, or employed by, any agency of the State of California or any of its political subdivisions when the duties of such person have to do with the enforcement of the Act or any other penal provisions of law of this State prohibiting or regulating the sale, use, possession, transportation, distribution, testing, manufacturing, or cultivation of cannabis.

(b) This section applies to, but is not limited to, any persons employed in the State of California Department of Justice as a peace officer, in any district attorney's office, in any city attorney's office, in any sheriff's office, or in any local police department.

(c) All persons listed in subsections (a) and (b) may not have any ownership interest, directly or indirectly, in any business to be operated or conducted under a cannabis license.

(d) This section does not apply to any person who holds a license in the capacity of executor, administrator, or guardian.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26012 and 26013, Business and Professions Code.

§ 8216. License Issuance in an Impacted Watershed.

If the State Water Resources Control Board or the Department of Fish and Wildlife finds, based on substantial evidence, that cannabis cultivation is causing significant adverse impacts on the environment in a watershed or other geographic area, the department shall not issue new licenses or increase the total number of plant identifiers within that watershed or area.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013 and 26069, Business and Professions Code.

Article 4. Cultivation Site Requirements

§ 8300. Cultivation Requirements for Specialty Cottage, Specialty, Small, and Medium Licenses.

(a) Cannabis plants maintained outside of the designated canopy area(s) for specialty cottage, specialty, small, and medium licenses are prohibited from flowering. Should plants outside of the canopy area(s) begin to flower, a UID shall be applied, the plant(s) shall be moved to the designated canopy area without delay, and reported in the track-and-trace system.

(b) All plants or portions of a plant used for seed production shall be tagged with a UID pursuant to section 8403 of this chapter.

(c) Licensees propagating immature plants for distribution or seed for distribution to another licensee shall obtain a nursery license.

(d) Licensees shall process their harvested cannabis only in area(s) designated for processing in their cultivation plan provided they are compliant with packaging and labeling requirements pursuant to section 8212 of this chapter, or transfer their harvested cannabis to a licensed processor, manufacturer, or distributor via a licensed distributor.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013, 26060, and 26120, Business and Professions Code.

§ 8301. Seed Production Requirements for Nursery Licensees.

Nursery licensees producing seed for distribution shall tag all mature plants pursuant to section 8403 of this chapter. All products, except seed, derived from these plants are prohibited from entering the commercial distribution chain.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013, 26060, and 26067, Business and Professions Code.

§ 8302. Research and Development Requirements for Nursery Licensees.

Nursery licensees Nurseries may maintain a research and development area, as identified in their cultivation plan, for the cultivation of mature plants. All mature plants shall be tagged with a UID pursuant to section 8403 of this chapter. All products derived from these plants are prohibited from entering the commercial distribution chain.

Authority: Sections 26012 and 2601 3, Business and Professions Code. Reference: Sections 26013, 26060, and 26067, Business and Professions Code.

§ 8303. Cultivation Requirements for Processor Licensees.

Processor licensees shall comply with all of the following requirements:

- (a) All aggregation of product shall adhere to track-and-trace requirements pursuant to sections 8405 and 8406 of this chapter;
- (b) Licensees may produce nonmanufactured cannabis products without a manufacturing license, provided compliance with packaging and labeling requirements pursuant to section 8212 of this chapter; and (c) Cultivation of cannabis plants is prohibited at a licensed processor premises.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013, 26060, 26067, 26069, and 26120, Business and Professions Code.

§ 8304. General Environmental Protection Measures.

All licensees shall comply with all of the following environmental protection measures:

- (a) Compliance with section 13149 of the Water Code as implemented by the State Water Resources Control Board, Regional Water Quality Control Boards, or California Department of Fish and Wildlife.;
- (b) Compliance with any conditions requested by the California Department of Fish and Wildlife or the State Water Resources Control Board under section 26060.1(b)(1) of the Business and Professions Code.;
- (c) All outdoor lighting used for security purposes shall be shielded and downward facing .;
- (d) Immediately halt cultivation activities and implement section 7050.5 of the Health and Safety Code if human remains are discovered.;
- (e) Requirements for generators pursuant to section 8306 of this chapter.;
- (f) Compliance with pesticide laws and regulations as enforced by the Department of Pesticide Regulation pursuant to section 8307 of this chapter.;

(g) Mixed-light license types of all tiers and sizes shall ensure that lights used for cultivation are shielded from sunset to sunrise to avoid nighttime glare.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013, 26060, 26066, and 26201, Business and Professions Code.

§ 8305. Renewable Energy Requirements.

Beginning January 1, 2023, all indoor, tier 2 mixed-light license types of all sizes, and nurseries using indoor or tier 2 mixed-light techniques, shall ensure that electrical power used for commercial cannabis activity meets the average electricity greenhouse gas emissions intensity required of their local utility provider pursuant to the California Renewables Portfolio Standard Program, division 1, part 1, chapter 2.3, article 16 (commencing with section 399.11) of the Public Utilities Code. As evidence of meeting the standard, licensees shall comply with the following:

(a) If a licensee's average weighted greenhouse gas emission intensity as provided in section 8203(f)(4) is greater than the local utility provider's greenhouse gas emission intensity, the licensee shall provide evidence of carbon offsets or allowances from any of the following sources to cover the excess in carbon emissions from the previous annual licensed period:

(1) Allowances purchased from California Cap and Trade Auctions. Any currently acceptable vintages are allowed pursuant to section 95910 of the Public Utilities Code.;

(2) Offsets purchased from Offset Project Registry System used for the California Cap and Trade Program, pursuant to section 95981 of the Public Utilities Code.;

(3) Offsets purchased from California Air Pollution Control Officers Association California-based Greenhouse Gas Credit Exchange.

(b) New licensees, without a record of weighted greenhouse gas emissions intensity from the previous calendar year, shall report the average weighted greenhouse gas emissions intensity, as provided in section 8203(f)(4), used during their licensed period at the time of license renewal. If a licensee's average weighted greenhouse gas emissions intensity is greater than the local utility provider's greenhouse gas emissions intensity for the most recent calendar year, the licensee shall provide evidence of carbon offsets or allowances to cover the excess in carbon emissions from any of the sources provided in subsection (a).

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013, 26060, 26066, and 26201, Business and Professions Code.

§ 8306. Generator Requirements.

(a) For the purposes of this section, “generator” is defined as a stationary or portable compression ignition engine pursuant to title 17, division 3, chapter 1, subchapter 7.5, section 93115.4 of the California Code of Regulations.

(b) Licensees using generators rated at fifty (50) horsepower and greater shall demonstrate compliance with Airborne Toxic Control Measures pursuant totitle 17, division 3, chapter 1, subchapter 7.5, sections 93115 through 93115.5 of the California Code of Regulations. Compliance shall be demonstrated by providing a copy of one of the following to the department upon request:

(1) A Portable Equipment Registration Certificate provided by the California Air Resources Board,;or;

(2) A Permit to Operate obtained from the Local Air District with jurisdiction over the licensed premises.

(c) Licensees using generators rated below fifty (50) horsepower shall comply with the following by 2023:

(1) Designate the generator as emergency or low-use as defined in title 17, division 3, chapter 1, subchapter 7.5, sections 93116.2(a)(12) and 93116.2(a)(22) of the California Code of Regulations,;

(2) Either (A) or (B);:

(A) Meet Tier 3 with level 3 diesel particulate filter requirements pursuant to title 13, division 3, chapter 9, article 4, section 2423 of the California Code of Regulations;

(B) Meet Tier 4 engine requirements pursuant to title 13, division 3, chapter 14, section 2702 of the California Code of Regulations.

(d) All generators shall be equipped with nonresettable hour-meters.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013, 26060, 26066, and 26201, Business and Professions Code.

§ 8307. Pesticide Use Requirements.

(a) Licensees shall comply with all pesticide laws and regulations enforced by the Department of Pesticide Regulation.

(b) For all pesticides that are exempt from registration requirements, licensees shall comply with all pesticide laws and regulations enforced by the Department of Pesticide Regulation and with the following pesticide application and storage protocols:

(1) Comply with all pesticide label directions;

- (2) Store chemicals in a secure building or shed to prevent access by wildlife; (3) Contain any chemical leaks and immediately clean up any spills;
- (4) Apply the minimum amount of product necessary to control the target pest; (5) Prevent offsite drift;
- (6) Do not apply pesticides when pollinators are present;
- (7) Do not allow drift to flowering plants attractive to pollinators;
- (8) Do not spray directly to surface water or allow pesticide product to drift to surface water. Spray only when wind is blowing away from surface water bodies;
- (9) Do not apply pesticides when they may reach surface water or groundwater; and
- (10) Only use properly labeled pesticides. If no label is available consult the Department of Pesticide Regulation.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013, 26060, 26066, and 26201, Business and Professions Code.

§ 8308. Cannabis Waste Management.

- (a) For the purposes of this section, “cannabis waste”’s **organic** waste, as defined in section 42649.8(c) of the Public Resources Code.
- (b) A licensee shall manage all hazardous waste, as defined in section 40141 of the Public Resources Code, in compliance with all applicable hazardous waste statutes and regulations.
- (c) A licensee shall manage all cannabis waste in compliance with division 30, part 3, chapters 12.8, 12.9 and 13.1 of the Public Resources Code. In addition, licensees are obligated to obtain all required permits, licenses, or other clearances and comply with all orders, laws, regulations, or other requirements of other regulatory agencies, including, but not limited to, local health agencies, regional water quality control boards, air quality management districts, or air pollution control districts, local land use authorities, and fire authorities.
- (d) A licensee shall dispose of cannabis waste in a secured waste receptacle or in a secured area on the licensed premises designated on the licensee’s premises diagram and as identified in the licensee’s cultivation plan. For the purposes of this section, “secure waste receptacle” or “secured area” means physical access to the receptacle or area is restricted only to the licensee, employees of the licensee, or the local agency, a waste hauler franchised or contracted by a local agency, or a private waste hauler permitted by the local agency. Public access to the designated receptacle or area shall be strictly prohibited.

(e) A licensee shall comply with the method(s) for managing cannabis waste identified on their cannabis waste management plan in accordance with section 8108.

(f) If composting cannabis waste on the licensed premises, a licensee shall do so in compliance with title 14 of the California Code of Regulations, division 7, chapter 3.1 (commencing with section 17850).

(g) If a local agency, a waste hauler franchised or contracted by a local agency, or a private waste hauler permitted by a local agency is being used to collect and process cannabis waste, a licensee shall do all the following:

(1) Obtain and retain the following information from the local agency, waste hauler franchised or contracted by the local agency, or private waste hauler permitted by the local agency who will collect and process the licensee's cannabis waste;:

(A) Name of local agency providing waste hauling services, if applicable;

(B) Company name of the waste hauler franchised or contracted by a local agency or private waste hauler permitted by the local agency, if applicable; (C) Local agency or company business address; and (D) Name of the primary contact person at the local agency or company and contact person's phone number;.

(2) Obtain and retain documentation from the local agency, the waste hauler franchised or contracted by a local agency, or private waste hauler permitted by the local agency that indicates the date and time of each collection of cannabis waste at the licensed premises;

(3) Obtain and retain a copy of the certified weight ticket, or other documentation prepared by the local agency, the waste hauler franchised or contracted by a local agency, or private waste hauler permitted by the local agency evidencing receipt of the cannabis waste at one or more of the solid waste facilities in section 8108(c); and

(4) Cannabis waste may be collected from a licensee in conjunction with a regular organic waste collection route used by the local agency, the waste hauler franchised or contracted by a local agency, or private waste hauler permitted by the local agency.

(h) If self-hauling cannabis waste to one or more of the solid waste facilities in section 8108(c) above, a licensee shall obtain and retain, for each delivery of cannabis waste by the licensee, a copy of a certified weight ticket, or receipt documenting delivery, prepared by a representative(s) of the solid waste facility receiving the self-hauled cannabis waste. Transportation of self-hauled cannabis waste shall only be performed by the licensee or employees of the licensee.

(i) In addition to all other tracking requirements set forth in sections 8405 and 8406 of this chapter, a licensee shall use the track-and-trace system and documentation required pursuant to this section to

ensure the cannabis waste is identified, weighed, and tracked while on the licensed premises and when disposed of in accordance with subsections (f), (g), and (h) above.

(j) A licensee shall maintain accurate and comprehensive records regarding cannabis waste that account for, reconcile, and evidence all activity related to the generation or disposition of cannabis waste. All records required by this section are records subject to inspection by the department and shall be kept pursuant to section 8400 of this chapter.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013 and 26060, Business and Professions Code.

Article 5. Records and Reporting

§ 8400. Record Retention.

For the purposes of this chapter, "record" includes all records, applications, reports, or other supporting documents required by the department.

(a) Each licensee shall keep and maintain the records listed in subsection (d) for at least seven (7) years from the date the document was created.

(b) Records shall be kept in a manner that allows the records to be provided at the licensed premises or delivered to the department, upon request.

(c) All records are subject to review by the department during standard business hours or at any other reasonable time as mutually agreed to by the department and the licensee. For the purposes of this section, standard business hours are deemed to be 8:00am - 5:00pm (Pacific Standard Time). Prior notice by the department to review records is not required.

(d) Each licensee shall maintain all of the following records on the licensed premises, including but not limited to:

(1) Department issued cultivation license(s); (2) Cultivation plan;

(3) All records evidencing compliance with the environmental protection measures pursuant to sections 8304, 8305, 8306, and 8307 of this chapter;

(4) All supporting documentation for data or information entered into the track-and-trace system;

(5) All UIDs assigned to product in inventory and all unassigned UIDs. UIDs associated with product that has been retired from the track-and-trace system must be retained for six (6) months after the

date the tags were retired; (6) Financial records related to the licensed commercial cannabis activity, including but not limited to, bank statements, tax records, sales invoices, and sales receipts;

(7) Personnel records, including each employee's full name, social security number, or individual tax payer identification number, date of beginning employment, and, if applicable, date of termination of employment if applicable;

(8) Records related to employee training for the track-and-trace system or other requirements of this chapter. Records shall include, but are not limited to, the date(s) training occurred, description of the training provided, and the names of the employees that received the training;

(9) Contracts with other state licensed cannabis businesses;

(10) Permits, licenses, and other local authorizations to conduct the licensee's commercial cannabis activity;

(11) Records associated with composting or disposal of cannabis waste.

(12) Documentation associated with loss of access to the track-and-trace system prepared pursuant to section 8402(d) of this chapter.

(e) All required records shall be prepared and retained in accordance with the following conditions:

(1) Records shall be legible; and (2) Records shall be stored in a secured area where the records are protected from debris, moisture, contamination, hazardous waste, fire, and theft.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013, 26055, 26060, 26060.1, 26067, 26069, 26160, and 26161, Business and Professions Code.

§ 8401. Sales Invoice or Receipt Requirements.

The licensee shall prepare a sales invoice or receipt for every sale, transport, or transfer of cannabis or nonmanufactured cannabis product to another licensee. Sales invoices and receipts may be retained electronically but must be readily accessible for examination by the department, other state licensing authorities, any state or local law enforcement authority, and the California Department of Tax and Fee Administration. Each sales invoice or receipt shall include all the following:

(a) Name, business address, and department or other licensing authority issued license number of the seller;

(b) Name, business address, and department or other licensing authority issued license number of the purchaser;

(c) Date of sale or transfer (month, day, and year). The date of any sale or transfer of cannabis and nonmanufactured cannabis products shall be the date of transfer to the licensee receiving it;

(d) Invoice or receipt number;

(e) Weight or quantity of cannabis and nonmanufactured cannabis products sold;

(1) Weight. For the purposes of this section a licensee must use wet weight or net weight. Wet weight and net weight shall be measured, recorded, and reported in U.S. customary units (e.g., ounce or pound); or International System of Units (e.g., kilograms, grams, or milligrams).

(2) Weighing Devices. A licensee shall follow weighing device requirements pursuant to section 8213 of this chapter.

(3) Count. For the purposes of this section, "count" means the numerical count of the individual plants or units.

(f) Cost to the purchaser, including any discount applied to the total price, shall be recorded on the invoice.;

(g) Description for each item, including strain or cultivar, and all of the applicable information below:

(1) Plant;

(2) Flower;

(3) Leaf;

(4) Shake;

(5) Kief; and

(6) Pre-rolls.

(h) Signature of the seller, or designated representative of the seller, acknowledging accuracy of the cannabis and nonmanufactured cannabis products being shipped;

(i) Signature of the purchaser, or designated representative of the purchaser, acknowledging receipt or rejection of the cannabis or nonmanufactured cannabis products.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013 and 26161, Business and Professions Code.

§ 8402. Track-and-Trace System.

Except as provided in section 8405 (e) of this chapter, each licensee shall report in the department's track-and-trace system the disposition of immature and mature plants, nonmanufactured cannabis products on the licensed premises, any transfers

associated with commercial cannabis activity between licensees, and any cannabis waste pursuant to this chapter.

(a) The licensee is responsible for the accuracy and completeness of all data and information entered into the track-and-trace system. Data entered into the track-and-trace system is assumed to be accurate and can be used to take enforcement action against the licensee if not corrected.

(b) Each licensee shall use the track-and-trace system for recording all applicable commercial cannabis activities. Each licensee shall:

(1) Designate an owner or other natural person(s) in the licensee's organization that can legally represent the licensee to be the licensee's track-and-trace account manager(s);

(2) Require the track-and-trace account manager to complete track-and-trace system training. If the designated account manager did not complete the track-and-trace system training prior to the licensee receiving their annual license, the account manager will be required to register for the track-and-trace system training provided by the department within five (5) business days of license issuance;

(3) Designate track-and-trace system users, as needed, and require the users to be trained by the licensee's track-and-trace account manager in the proper and lawful use of the track-and-trace system before the users are permitted to access the track-and-trace system;

(4) Require the track-and-trace account manager to maintain an accurate and complete list of all track-and-trace system account managers and users and update the list immediately when changes occur;

(5) Cancel any track-and-trace users from the licensee's track-and-trace system account if that individual is no longer authorized to represent the a licensee ; and

(6) Correct any data that is entered into the track-and-trace system in error within three (3) business days of discovery of the error.

(c) The licensee is responsible for all actions any licensee representatives take while logged into the track-and-trace system or otherwise conducting commercial cannabis activities.

(d) If a licensee loses access to the track-and-trace system for any reason, the licensee shall prepare and maintain comprehensive records detailing all required inventory tracking activities conducted during the loss of access.

(1) Once access to the track-and-trace system is restored, all inventory tracking activities that occurred during the loss of access shall be entered into the track-and-trace system within three (3) business days.

(2) A licensee shall document the date and time when access to the track-and-trace system was lost, when it was restored, and the cause for each loss of access.

(3) A licensee shall not transfer cannabis or nonmanufactured cannabis products to a distributor until such time as access to the system is restored and all information is recorded into the track-and-trace system.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013, 26067, 26069, , and 26160 Business and Professions Code.

§ 8403. Track-and-Trace System Unique Identifiers (UID).

(a) Within five (5) business days of the date the licensee's designated account manager(s) was credentialed by the department to use the track-and-trace system, the licensee shall request UIDs using the track-and-trace system as prescribed by the department.

(1) The licensee shall only use UIDs provisioned and distributed by the department, or the department's designee.

(2) The licensee shall maintain a sufficient supply of UIDs in inventory to support tagging in accordance with this section.

(3) The licensee shall use the track-and-trace system to document receipt of provisioned and distributed UIDs within three (3) business days of physical receipt of the UIDs by the licensee.

(4) Except as provided in section 8407 of this chapter, all cannabis shall be entered into the track-and-trace system by the licensee starting with seed, cannabis which has been propagated onsite or purchased from a licensed nursery, or seedling purchased from a licensed nursery pursuant to this chapter.

(b) The UID shall accompany the cannabis products through all phases of the growing cycle, as follows:

(1) Licensees with immature plants shall assign a UID to each established lot respectively. The lot UID shall be placed in a position so it is visible and within clear view of an individual standing next to the immature lot to which the UID was assigned, and all UIDs shall be kept free from dirt and debris. For the purposes of this subsection, each lot of immature plants shall not have more than one hundred (100) immature plants at any one time. All immature plants in a lot shall be labeled with the corresponding UID number assigned to the lot and shall be contiguous to one another in order to facilitate identification by the department.

(2) Immature plants transferred from a licensed nursery, via a distributor, to a licensed cultivator shall meet requirements of subsection (b)(1) above. Each immature plant intended for retail sale shall have a UID affixed, or be labeled with the corresponding UID number of the lot, and be recorded in the track-and-trace system prior to transfer from the licensed nursery.

(3) The licensee shall apply a UID to all individual plants at the time any plant is moved to the designated canopy area or when an individual plant begins flowering, as defined in section 8000(l). The licensee may tag individual immature plants prior to movement to the designated canopy area or prior to flowering.

(4) UIDs are required for each mature plant. UIDs shall be attached to the main stem, at the base of each plant. The UID shall be attached to the plant using a tamper evident strap or zip tie and placed in a position so it is visible and within clear view of an individual standing next to the mature plant to which the UID was assigned and UIDs shall be kept free from dirt and debris. Licensees are prohibited from removing the UID from the mature plant to which it was attached and assigned until the plant is harvested, destroyed, or disposed.

(c) Each harvest batch shall be assigned a unique harvest batch name which will be associated with all UIDs for each individual plant, or portion thereof, contained in the harvest batch.

(d) UIDs are required for all cannabis and nonmanufactured cannabis products and shall be associated with the corresponding harvest batch name from which the cannabis and nonmanufactured cannabis products were derived.

(e) Upon destruction or disposal of any cannabis or nonmanufactured cannabis products, the applicable UIDs shall be retired in the track-and-trace system by the licensee within three (3) business days of the destruction or disposal and be performed in accordance with the licensee's approved cannabis waste management plan.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013, 26067, 26069, and 26160 Business and Professions Code.

§ 8404. Track-and-Trace System User Requirements.

(a) All track-and-trace account managers or users, as identified by the licensee pursuant to section 8402 of this chapter, shall enter all commercial cannabis activities in the track-and-trace system.

(b) Each track-and-trace account manager and user shall have a unique log-on, consisting of a username and password, which shall not be used by or shared with any other person.

(c) No track-and-trace account manager, user, or other licensee representative shall intentionally misrepresent or falsify information entered into the track-and-trace system.

(d) The account manager shall monitor all notifications from the track-and-trace system and resolve all issues included in the notification in the timeframe specified in the notification. An account manager shall not dismiss a notification from the track-and-trace system until the issue(s) included in the notification has been resolved.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26012, 26013, 26067, and 26069, Business and Professions Code.

§ 8405. Track-and-Trace System Reporting Requirements.

(a) Except as provided in subsection (e) below, the track-and-trace account manager or users shall report in the track-and-trace system any and all transfers of cannabis or nonmanufactured cannabis products to another licensed entity prior to the movement of the cannabis or nonmanufactured cannabis products off the licensed premises.

(b) The track-and-trace account manager or users shall report in the track-and-trace system, any and all cannabis or nonmanufactured cannabis products physically received or rejected from another licensee within twenty-four (24) hours of receipt or rejection of the products.

(c) The track-and-trace account manager or users shall report in the track-and-trace system any change in the disposition of cannabis plants, as applicable, on the licensed premises. All changes in disposition shall be made within three (3) business days of the change in disposition of the cannabis plants. Changes in disposition of cannabis plants include but are not limited to:

(1) Flowering;

(2) Destruction or disposal;

(3) Harvest;

(4) Processing;

(5) Storage; and

(6) Packaging.

(d) The account manager or user shall be required to report information in the track-and-trace system for each transfer of cannabis or nonmanufactured cannabis products to, or cannabis or nonmanufactured cannabis products received from, other licensed premises. Required information to be entered includes, but is not limited to:

(1) Name, business address, and department issued license number of the seller;

(2) Name, business address, and department issued license number of the purchaser;

(3) Name and department issued license number of the distributor;

(4) Date of sale, transfer, or receipt (month, day, and year) of cannabis or nonmanufactured cannabis products;

(5) Weight or count of individual units of cannabis or nonmanufactured cannabis products sold, transferred, or received;

(A) Weight. For the purposes of this section a licensee must use wet weight or net weight. Wet weight and net weight shall be measured, recorded, and reported in U.S. customary units (e.g., ounce or pound); or International System of Units (e.g., kilograms, grams, or milligrams).

(B) Weighing Devices. A licensee shall follow weighing device requirements pursuant to section 8213 of this chapter.

(C) Count. For the purposes of this section count means the numerical count of the individual plants or units.

(6) Estimated departure and arrival time;

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013 and 26015, Business and Professions Code.

Article 6. Inspections, Investigations, and Audits

§ 8500. Inspections, Investigations, and Audits Applicability.

All licensees and applicants shall be subject to inspection, investigation, or audit of their licensed premises and records by the department to determine compliance with applicable laws and regulations.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013 and 26015, Business and Professions Code.

§ 8501. Inspections, Investigations, and Audits.

The department shall conduct inspections, investigations, and audits of licensees including, but not limited to, a review of any books, records, accounts, inventory, or onsite operations specific to the license.

(a) The department may conduct an inspection, investigation, or audit for any of the following purposes:

- (1) To determine accuracy and completeness of the application prior to issuing a license;
- (2) To determine compliance with license requirements including, but not limited to, the cultivation plan;
- (3) To audit or inspect any records outlined in section 8400 of this chapter;
- (4) To respond to a complaint(s) received by the department regarding the licensee;
- (5) To inspect incoming or outgoing shipments of cannabis and nonmanufactured cannabis products; and
- (6) As deemed necessary by the department.

b) Inspections, investigations, and audits of the licensed premises shall be conducted at any time, or as otherwise agreed to by the department and the licensee or its agents, employees, or representatives. Prior notice of inspection or investigation is not required.

(c) No applicant, licensee, its agent or employees shall interfere with, obstruct, or impede the department's inspection, investigation, or audit. This includes, but is not limited to, the following actions:

- (1) Denying the department access to the licensed premises;
- (2) Providing false or misleading statements;
- (3) Providing false, falsified, fraudulent, or misleading documents and records; and
- (4) Failing to provide records, reports, and other supporting documents.

(d) Upon completion of an inspection, investigation, or audit, the department shall notify the applicant or licensee of any violation(s) and/or action(s) the department is taking.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013, 26015, and 26160, Business and Professions Code.

Article 7. Enforcement

§ 8600. Enforcement Applicability.

Notwithstanding any other provision of law, the department may take a licensing or administrative action at any time within five (5) years after the department discovers, or with reasonable diligence should have discovered, any violation of state law or local ordinances.

Authority: Sections 26012 and 26013, Business and Professions Code. Reference: Sections 26013 and 26031, Business and Professions Code.

§ 8601. Administrative Actions.

The department shall use the violation classes and applicable fine amounts as follows:

(a) For the purpose of this section, violation classes are designated as "Minor," "Moderate," and "Serious."

(1) "Serious." Violations which preclude or significantly interfere with enforcement, or those that cause significant false, misleading, or deceptive business practices, potential for significant level of public or environmental harm, or for any violation that is a repeat of a Moderate violation that occurred within a two-year period and that resulted in an administrative civil penalty. All serious violations are subject to license revocation.

(2) "Moderate." Violations that undermine enforcement, are likely to cause public or environmental harm, or are a repeat of a Minor violation that occurred within a two-year period and resulted in an administrative civil penalty.

(3) "Minor." Violations that are not likely to have an adverse effect on public safety or environmental health.

(b) Repeat violations may result in an escalation of violation class.

(c) Pursuant to section 26038(a) of the Business and Professions Code, a person(s) engaging in commercial cannabis activity without a license shall be subject to civil penalties of up to three (3) times the amount of the license fee for each violation.

(d) Pursuant to section 26160(f) of the Business and Professions Code, if a licensee, or an agent or employee of the licensee, fails to maintain or provide required records, the licensee shall be subject to a citation and a fine of up to thirty thousand dollars (\$30,000) per individual violation.

(e) Table A below shall be used to establish the initial level of severity of a particular violation and the corresponding penalty range for "Serious," "Moderate," and "Minor" violation classes.

Authority: Sections 26012, 26013 and 26031, Business and Professions Code. Reference: Sections 26013 and 26031, Business and Professions Code.

§ 8602. Notice of Violation.

(a) The department shall issue a Notice of Violation to a licensee that is in violation of applicable statutes and regulations.

A Notice of Violation shall be served upon the licensee and legal owner of the property. The Notice of Violation shall contain all of the following:

(1) A brief statement of the violation(s) alleged;

(2) The proposed penalty;

(3) A statement of whether the violation is correctable, and a timeframe in which the violation shall be corrected; and

(4) Notice of an administrative hold of property, if applicable.

(b) The right to a hearing will be deemed waived if respondent fails to respond in writing within thirty (30) calendar days from the date the Notice of Violation was received by the licensee.

Authority: Sections 26012, 26013, and 26031, Business and Professions Code. Reference: Sections 26013 and 26031, Business and Professions Code.

§ 8603. Administrative Hold Procedure.

To prevent destruction of evidence, illegal diversion of cannabis or nonmanufactured cannabis products, or to address potential threats to the environment or public safety, while allowing a licensee to retain its inventory pending further inspection, or enforcement action, the department may order an administrative hold of cannabis or nonmanufactured cannabis products pursuant to the following procedure:

(a) The notice of administrative hold shall provide a documented description of the cannabis or nonmanufactured cannabis products to be subject to the administrative hold and a concise statement regarding the basis for issuing the administrative hold.

(b) Following the issuance of a notice of administrative hold to the licensee, the department shall identify the cannabis or nonmanufactured cannabis products subject to the administrative hold in the track-and-trace system.

(c) Within twenty-four (24) hours of receipt of the notice of administrative hold, the licensee shall physically segregate all designated cannabis and/or nonmanufactured cannabis products subject to the hold and shall safeguard and preserve the property subject to administrative hold as noticed.

(d) While the administrative hold is in effect, the licensee is restricted from selling, donating, transferring, transporting, gifting, giving away, or destroying the subject property noticed.

(e) Nothing herein shall prevent a licensee from the continued possession, cultivation, or harvesting of the cannabis subject to the administrative hold. During the hold period, all cannabis or nonmanufactured cannabis products subject to an administrative hold shall be put into separate batches.

(f) Nothing herein shall prevent a licensee from voluntarily surrendering cannabis or nonmanufactured cannabis products that are subject to an administrative hold. The licensee shall identify the cannabis or nonmanufactured cannabis products being voluntarily surrendered in the track-and-trace system. Voluntary surrender does not waive the right to a hearing and any associated rights.

(g) The licensee shall have the right to appeal an administrative hold ordered by the department pursuant to section 8604 of this chapter. The department shall schedule an informal hearing within ten

(10) calendar days from receipt of the request for an informal hearing and issue the written decision within five (5) calendar days after the conclusion of the hearing.

Authority: Sections 26012, 26013, and 26031, Business and Professions Code. Reference: Sections 26013 and 26031, Business and Professions Code.

§ 8604. Informal Administrative Hearings.

(a) The respondent may appeal a Notice of Violation or an administrative hold and request an informal hearing by written correspondence to the California Department of Food and Agriculture, Legal Office of Hearings and Appeals, 1220 "N" Street, Suite 400, Sacramento, California 95814 or via email to CDFA.LegalOffice@cdfa.ca.gov. The request shall be received within thirty (30) calendar days from the date the Notice of Violation was received by the respondent. The request shall include the following:

(1) The respondent's name, mailing address, and daytime phone number; (2) If applicable, the license number issued by the department;

(3) Copy of the Notice of Violation; and (4) A clear and concise statement for the basis of the appeal or counts within the Notice of Violation.

(b) Failure to submit a timely written request constitutes a waiver of the respondent's right to contest the Notice of Violation. Untimely requests for an informal hearing will not be considered.

(c) If the Notice of Violation places an administrative hold on cannabis or nonmanufactured cannabis products, the hold shall remain in effect pending the outcome of the informal hearing.

Authority: Sections 26012, 26013, and 26031, Business and Professions Code. Reference: Sections 26013 and 26031, Business and Professions Code.

§ 8605. Informal Hearing Schedule and Notification.

(a) The department shall schedule an informal hearing within forty-five (45) calendar days from receipt of the request for an informal hearing.

(b) The department shall provide a notice of the informal hearing to the respondent containing the following information:

(1) Date, location, and time of the informal hearing;

(2) Summary of the violations;

(3) Any other information or documentation necessary for the hearing; and

(4) Standard of proof.

Authority: Sections 26012, 26013 and 26031, Business and Professions Code. Reference: Sections 26013 and 26031, Business and Professions Code.

§ 8606. Conduct of Informal Hearings.

Informal hearings shall be conducted as follows:

(a) The standard of proof to be applied by the hearing officer shall be a preponderance of the evidence;

(b) Hearings may be conducted by phone at the request of the respondent;

(c) The decision of the hearing officer shall be in writing and shall include a statement of the factual legal basis of the decision;

(d) The written decision shall be issued within thirty (30) calendar days after the conclusion of the hearing and may be issued orally at the conclusion of the hearing subject to written confirmation;

(e) The decision shall be served on the respondent either by personal service, mail, email or via facsimile per respondent's request/direction; and

f) The respondent may appeal the department's decision to the Cannabis Appeals Board in accordance with Business and Professions Code sections 26043 and 26044.

Authority: Sections 26012, 26013, and 26031, Business and Professions Code. Reference: Sections 26013 and 26031, Business and Professions Code.

§ 8607. Licensing Actions.

(a) The department may take a licensing action for any violation of this chapter.

(b) If the licensee holds multiple cultivation licenses, the department may take any one of, or combination of, the following actions on all the licensee's cultivation licenses:

(1) Revocation of the license;

(2) Suspension of the license for a specified period of time;

(3) Issuance of a probationary license with terms and conditions determined by the department; and

(4) Order an administrative hold of cannabis or nonmanufactured cannabis products.

Authority: Sections 26012, 26013, and 26031, Business and Professions Code. Reference: Sections 26013 and 26031, Business and Professions Code.

§ 8608. Formal Administrative Hearings.

(a) Notice shall be given to the applicant or licensee of the department's intent to hold adjudication proceedings to consider the following actions:

(1) Denial of an application for a license;

(2) Denial of a license renewal;

(3) Revocation of a license; and

(4) Suspension of a license for a specified period of time.

(b) Hearings concerning proceedings in subsection (a) above shall be held pursuant to chapter 5 (commencing with section 11500) of part 1 of division 3 of title 2 of the Government Code.

Authority: Sections 26012, 26013, and 26031, Business and Professions Code. Reference: Sections 26013 and 26031, Business and Professions Code.
