Basis and Purpose – R 104

The statutory authority for this rule ~~exists in~~ **includes but is not limited to** sections 44-12-202(3)(a)(IX), 24-4-105(11), and 44-12-201, C.R.S. The purpose of this rule is to establish a system by which a Licensee may request the Division to issue a formal statement of position and, subsequently, petition State Licensing Authority for a declaratory order. Typically, a position statement or declaratory order would address matters that are likely to be applicable to other Licensees. The approach is similar to that utilized by other divisions within the Department of Revenue.

R 104 – Declaratory Orders Concerning the Retail Code

- A. Who May Request a Statement of Position. Any person as defined in section 24-4-102(12), C.R.S., may request the Division to issue a statement of position concerning the applicability to the petitioner of any provision of the Retail Code, or any regulation of the State Licensing Authority.
- B. Division Response. The Division will determine, in its sound discretion, whether to respond with a written statement of position. Following receipt of a proper request, the Division will respond by issuing a written statement of position or by declining to issue such a statement.
- C. Petition for Declaratory Order. Any person who has properly requested a statement of position, and who is dissatisfied with the Division’s response, may petition the State Licensing Authority for a declaratory order pursuant to section 24-4-105(11), C.R.S. The petition shall be filed within 30 days of the Division’s response, or may be filed at any time before the Division’s response if the Division has not responded within 60 days of receiving a proper request for a statement of position, and shall set forth the following:
 - 1. The name and address of the petitioner.

2. Whether the petitioner is licensed pursuant to the Retail Code or Medical Code, and if so, the type of license and address of the Licensed Premises.
 3. Whether the petitioner is involved in any pending administrative hearings with the State Licensing Authority or relevant local jurisdiction.
 4. The statute, rule, or order to which the petition relates.
 5. A concise statement of all of the facts necessary to show the nature of the controversy or the uncertainty as to the applicability to the petitioner of the statute, rule, or order to which the petition relates.
 6. A concise statement of the legal authorities, if any, and such other reasons upon which petitioner relies.
 7. A concise statement of the declaratory order sought by the petitioner.
- D. State Licensing Authority Retains Discretion Whether to Entertain Petition. The State Licensing Authority will determine, in its discretion without prior notice to the petitioner, whether to entertain any petition. If the State Licensing Authority decides it will not entertain a petition, it shall notify the petitioner in writing of its decision and the reasons for that decision. Any of the following grounds may be sufficient reason to refuse to entertain a petition:
1. The petitioner failed to properly request a statement of position from the Division, or the petition for declaratory order was filed with the State Licensing Authority more than 30 days after the Division's response to the request for a statement of position.
 2. A ruling on the petition will not terminate the controversy nor remove uncertainties concerning the applicability to petitioner of the statute, rule or order in question.
 3. The petition involves a subject, question or issue that is relevant to a pending hearing before the state or any local licensing authority, an on-going investigation conducted by the Division, or a written complaint previously filed with the State Licensing Authority.
 4. The petition seeks a ruling on a moot or hypothetical question.
 5. Petitioner has some other adequate legal remedy, other than an action for declaratory relief pursuant to Colo. R. Civ. Pro. 57, which will terminate the controversy or remove any uncertainty concerning applicability of the statute, rule or order.
- E. State Licensing Authority May Adopt Division Position Statement. The State Licensing Authority may adopt the Division Position Statement as a Final Agency Action subject to judicial review pursuant to section 24-4-106, C.R.S.
- F. If State Licensing Authority Entertains Petition. If the State Licensing Authority determines that it will entertain the petition for declaratory order, it shall so notify the petitioner within 30 days, and any of the following procedures may apply:
1. The State Licensing Authority may expedite the matter by ruling on the basis of the facts and legal authority presented in the petition, or by requesting the petitioner or the Division to submit additional evidence and legal argument in writing.
 2. In the event the State Licensing Authority determines that an evidentiary hearing is necessary to a ruling on the petition, a hearing shall be conducted in accordance with

Rules R 1304 – Administrative Hearings, R 1305 – Administrative Subpoenas, and R 1306 – Administrative Hearing Appeals. The petitioner will be identified as Respondent.

3. The parties to any proceeding pursuant to this rule shall be the petitioner/Respondent and the Division. Any other interested person may seek leave of the State Licensing Authority to intervene in the proceeding and such leave may be granted if the State Licensing Authority determines that such intervention will make unnecessary a separate petition for declaratory order by the interested person.
 4. The declaratory order shall constitute a Final Agency Order subject to judicial review pursuant to section 24-4-106, C.R.S.
- G. Public Inspection. Files of all requests, petitions, statements of position, and declaratory orders will be maintained by the Division. Except with respect to any material required by law to be kept confidential, such files shall be available for public inspection.
- H. Posted on Website. The Division shall post a copy of all statements of position and all declaratory orders on the Division's web site.

Each license, whether it is in the same location or not, is fully responsible to maintain compliance with all statutes and rules promulgated regardless of whether or not they are located in a shared address.

A Medical Marijuana Business may only obtain one Retail Marijuana Establishment License, whether it converts the Medical Business License or obtains a Retail Marijuana Establishment License, for each Medical Marijuana Business License it holds. In order to ensure all Retail Marijuana, Retail Marijuana Concentrate, and Retail Marijuana Product are tracked in the Inventory Tracking System and as a condition of licensure, a Medical Marijuana Business must declare in the Inventory Tracking System all Medical Marijuana, Medical Marijuana Concentrate, and Medical Marijuana Infused-Product that are converted for Transfer as Retail Marijuana, Retail Marijuana Concentrate, or Retail Marijuana Product prior to initiating or allowing any Transfers. This declaration may be made only once, in part, due to the excise tax issues that may be implicated if a Licensee makes multiple conversions from Medical Marijuana, Medical Marijuana Concentrate, or Medical Marijuana-Infused Product to Retail Marijuana, Retail Marijuana Concentrate, or Retail Marijuana Product. Beginning July 1, 2016, the only allowed Transfer of marijuana between a Medical Marijuana Business and Retail Marijuana Establishment is the Transfer of Medical Marijuana and Medical Marijuana Concentrate that was produced at the Optional Premises Cultivation Operation, from the Optional Premises Cultivation Operation to a Retail Marijuana Cultivation Facility. The marijuana subject to the one-time Transfer is subject to the excise tax upon the first Transfer from the Retail Marijuana Cultivation Facility to another Retail Marijuana Establishment.

The State Licensing Authority received several comments from stakeholders who requested lower fees for Medical Marijuana Businesses that were either converting a Medical Marijuana Business license to a Retail Marijuana Establishment license or obtaining an additional Retail Marijuana Establishment license while retaining the existing Medical Marijuana Business license. The adopted permanent regulations reflect changes to address this concern. Under the rules as adopted Medical Marijuana Businesses that apply to convert to a Retail Marijuana Establishment license will be required to pay an application fee, but no license fees will be charged until such time as the renewal fees would have been due under the Medical Marijuana Business license term. The Retail Marijuana Establishment license, if approved, would assume the balance of the license term from the Medical Marijuana Business license and have the same expiration date.

This rule also informs existing and prospective licensees of production management conditions. The State Licensing Authority intends to replace or revise this rule's production management provisions as early as January 2017 by transitioning to an output-based production management model. Existing and prospective licensees should be on notice that the new or revised regulations may impact the production limits provided for in this rule. Additionally, throughout the rulemaking process stakeholders expressed concern over ensuring an adequate amount of licensed Retail Marijuana Stores exist to Transfer the amount of Retail Marijuana being produced at licensed Retail Marijuana Cultivation Facilities. Scaling the number of interests a person may hold in Retail Marijuana Cultivation Facility licenses relative to the number of controlling interests the person has in Retail Marijuana Store(s) has been incorporated in the production management rules as a means to address this production management concern.

Failure to provide timely notice pursuant to this rule may lead to administrative action against the Retail Marijuana Establishment and its Direct Beneficial Interest Owners.
- D. A Direct Beneficial Interest Owner shall not be a publicly traded company.

Basis and Purpose – R 231.2

The statutory authority for this rule includes but is not limited to sections 44-11-201(3), 44-12-202(2)(b), 44-12-202(3)(a)(III), 24-18-105(3), 44-12-202(3)(a)(XXI), 44-12-103, 44-12-303, 44-12-304, 44-12-306, and 24-76.5-101, *et seq.*, C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(a)(III). The purpose of this rule is to clarify the qualifications for an Indirect Beneficial Interest Owner other than a Permitted Economic Interest.

R 231.2 – Qualifications for Indirect Beneficial Interest Owners and Qualified Limited Passive Investors

A. General Requirements

1. An Applicant applying to become a Commercially Reasonable Royalty Interest holder who receives a royalty of more than 30 percent or the holder of a Permitted Economic Interest must be pre-approved by the Division.
2. An Applicant applying to become an Indirect Beneficial Interest Owner or Qualified Limited Passive Investor shall submit information to the Division in a full, faithful, truthful, and fair manner. The Division may recommend denial of an application where the Applicant made misstatements, omissions, misrepresentations, or untruths in the

application. This type of conduct may be considered as the basis of additional administrative action against the Applicant and the Retail Marijuana Establishment.

3. The Division may deny the application when the Applicant fails to provide any requested information by the Division's deadline.
 4. The Division's determination that an Indirect Beneficial Interest Owner or Qualified Limited Passive Investor is qualified constitutes a revocable privilege held by the Retail Marijuana Establishment. The burden of proving the Indirect Beneficial Interest Owner or Qualified Limited Passive Investor is qualified rests at all times with the Retail Marijuana Establishment Applicant. Indirect Beneficial Interest Owners and Qualified Limited Passive Investors are not separately licensed by the Division. Any administrative action regarding an Indirect Beneficial Interest Owner or Qualified Limited Passive Investor may be taken directly against the Retail Marijuana Establishment.
 5. Permitted Economic Interest Fingerprints Required. Any individual applying to hold his or her first Permitted Economic Interest shall be fingerprinted for a criminal history record check. In the Division's discretion, an individual may be required to be fingerprinted again for additional criminal history record checks.
 6. No publicly traded company can be an Indirect Beneficial Interest Owner or Qualified Limited Passive Investor.
- B. Qualification. The Division may consider the following non-exhaustive list of factors to determine whether an Indirect Beneficial Interest Owner or Qualified Limited Passive Investor is qualified:
1. The Applicant's criminal history indicates that he or she is of Good Moral Character;
 2. The Applicant is at least 21 years of age;
 3. The Applicant has paid all taxes, interest, or penalties due the Department of Revenue relating to a Retail Marijuana Establishment or Medical Marijuana Business, if applicable;
 4. The Applicant is not currently subject to and has not discharged a sentence for a conviction of a felony in the five years immediately preceding his or her application date;
 5. The Applicant is not currently subject to and has not discharged a sentence for a conviction of a felony pursuant to any state or federal law regarding the possession, distribution, manufacturing, cultivation, or use of a controlled substance in the ten years immediately preceding his or her application date or five years from May 28, 2013, whichever is longer, except, in the Division's discretion, a state felony conviction based on possession or use of marijuana or marijuana concentrate that would not be a felony if the Person were convicted of the offense on the date he or she applied may not disqualify an Indirect Beneficial Interest Owner or Qualified Limited Passive Investor;
 6. The Applicant is not a sheriff, deputy sheriff, police officer, or prosecuting officer, or an officer or employee of the State Licensing Authority or a local jurisdiction;
 7. The Applicant has not been a State Licensing Authority employee with regulatory oversight responsibilities for individuals, Retail Marijuana Establishments and/or Medical Marijuana Businesses licensed by the State Licensing Authority in the six months immediately preceding the date of the Applicant's application.
 8. The Applicant has provided all documentation requested by the Division to establish qualification to be an Indirect Beneficial Interest Owner.

C. Maintaining Qualification:

1. An Indirect Beneficial Interest Owner or Qualified Limited Passive Investor shall notify the Division in writing of any felony criminal charge and felony conviction against such person within ten days of such person's arrest or felony summons, and within ten days of the disposition of any arrest or summons. Failure to make proper notification to the Division may be grounds for disciplinary action. This duty to report includes, but is not limited to, deferred sentences, prosecutions, or judgments that are not sealed. If the Division lawfully finds a disqualifying event and the individual asserts that the record was sealed, the Division may require the individual to provide proof from a court evidencing the sealing of the case.
2. An Indirect Beneficial Interest Owner, Qualified Limited Passive Investor and Retail Marijuana Establishment shall cooperate in any investigation into whether an Indirect Beneficial Interest Owner or Qualified Limited Passive Investor continues to be qualified that may be conducted by the Division.

- D. Divestiture of Indirect Beneficial Interest Owner or Qualified Limited Passive Investor. If the Division determines an Indirect Beneficial Interest Owner or Qualified Limited Passive Investor is not permitted to hold their interest, the Retail Marijuana Establishment shall have 60 days from such determination to divest the Indirect Beneficial Interest Owner or Qualified Limited Passive Investor. The Division may extend the 60-day deadline for good cause shown. Failure to timely divest any Indirect Beneficial Interest Owner or Qualified Limited Passive Investor the Division determines is not qualified, or is no longer qualified, may constitute grounds for denial of license or administrative action against the Retail Marijuana Establishment and/or its Associated Key Licensee(s).

R 231.5 – Repealed Effective January 1, 2017.

Basis and Purpose – R 232

The statutory authority for this rule ~~is found at~~ includes but is not limited to sections 44-12-202(2)(b), 44-12-202(3)(a)(I), 44-12-202(3)(a)(XXI), 44-12-306(2), and 44-12-309(5), C.R.S. The purpose of this rule is to interpret residency requirements set forth in the Retail Code.

R 232 – Factors Considered When Determining Residency and Citizenship: Individuals

This rule applies to individual Applicants who are trying to obtain licenses issued pursuant to the Retail Code. This rule does not apply to patrons of Retail Marijuana Stores. When the State Licensing Authority determines whether an Applicant is a resident, the following factors will be considered:

- A. Primary Home Defined. The location of an Applicant's principal or primary home or place of abode ("primary home") may establish Colorado residency. An Applicant's primary home is that home or place in which a person's habitation is fixed and to which the person, whenever absent, has the present intention of returning after a departure or absence therefrom, regardless of the duration of such absence. A primary home is a permanent building or part of a building and may include, by way of example, a house, condominium, apartment, room in a house, or manufactured housing. No rental property, vacant lot, vacant house or cabin, or other premises used solely for business purposes shall be considered a primary home.
- B. Reliable Indicators That an Applicant's Primary Home is in Colorado. The State Licensing Authority considers the following types of evidence to be generally reliable indicators that a person's primary home is in Colorado.

1. Evidence of business pursuits, place of employment, income sources, residence for income or other tax purposes, age, residence of parents, spouse, and children, if any, leaseholds, situs of personal and real property, existence of any other residences outside of Colorado and the amount of time spent at each such residence, and any motor vehicle or vessel registration;
 2. Duly authenticated copies of the following documents may be taken into account: A current driver's license with address, recent property tax receipts, copies of recent income tax returns where a Colorado mailing address is listed as the primary address, current voter registration cards, current motor vehicle or vessel registrations, and other public records evidencing place of abode or employment; and
 3. Other types of reliable evidence.
- C. Totality of the Evidence. The State Licensing Authority will review the totality of the evidence, and any single piece of evidence regarding the location of a person's primary home is not necessarily determinative.
- D. Other Considerations for Residency. The State Licensing Authority may consider the following circumstances:
1. Members of the armed services of the United States or any nation allied with the United States who are on active duty in this state under permanent orders and their spouses;
 2. Personnel in the diplomatic service of any nation recognized by the United States who are assigned to duty in Colorado and their spouses; and
 3. Full-time students who are enrolled in any accredited trade school, college, or university in Colorado. The temporary absence of such student from Colorado, while the student is still enrolled at any such trade school, college, or university, shall not be deemed to terminate their residency. A student shall be deemed "full-time" if considered full-time pursuant to the rules or policy of the educational institution he or she is attending.
- E. Entering Armed Forces Does Not Terminate Residency. An individual who is a Colorado resident pursuant to this rule does not terminate Colorado residency upon entering the armed services of the United States. A member of the armed services on active duty who resided in Colorado at the time the person entered military service and the person's spouse are presumed to retain their status as residents of Colorado throughout the member's active duty in the service, regardless of where stationed or for how long.
- F. Determination of United States Citizenship. Whenever the Retail Code or the rules promulgated pursuant thereto require a Direct Beneficial Interest Owner to be a United States citizen, the Direct Beneficial Interest Owner must provide evidence of United States citizenship as required by the Division in accordance with applicable federal and state statutes and regulations.

The purpose of this rule is to clarify when an individual must be licensed or registered with the Division before commencing any work activity at a licensed Retail Marijuana Establishment. The rule also sets forth the process for obtaining a license or registration and explains what information may be required before obtaining such license or registration.

R 233 – Retail Code or Medical Code Occupational Licenses Required

- A. Retail Code or Medical Code Occupational Licenses and Identification Badges

 3. Any Person within a Restricted Access Area or Limited Access Area that does not have a valid Occupational License shall be considered a visitor and must be escorted at all times by a person who holds a valid Associated Key License or other Occupational License. Failure by a Retail Marijuana Establishment to continuously escort a person who does not have a valid Occupational License within a Limited Access Area may be considered a license violation affecting the public safety. See Rule R 1307 – Penalties; see also Rule R 301 – Limited Access Areas. Nothing in this provision alters or eliminates a Retail Marijuana Establishment’s obligation to comply with the Occupational License requirements of paragraph (A) of this Rule R 233. Trade craftspeople not normally engaged in the business of cultivating, processing, or Transferring Retail Marijuana do not need to be accompanied at all times, and instead only reasonably monitored.
- B. Occupational License Required to Commence or Continue Employment. Any Person required to be licensed pursuant to these rules shall obtain all required approvals and obtain a Division-issued identification badge before commencing activities permitted by his or her Retail Code or Medical Code Occupational License. See Rule R 231 – Qualifications for Licensure and Residency; Rule R 204 – Ownership Interests of a License: Retail Marijuana Establishments; and R 301 – Limited Access Areas.
- C. Identification Badges Are Property of State Licensing Authority. Basis and Purpose – R 308

The statutory authority for this rule ~~is found at~~ includes but is not limited to sections 44-12-202(2)(b) and 44-12-301(2) C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(f). The purpose of this rule is to establish hours of operation requirements for Retail Marijuana Establishments. The State Licensing Authority modeled this rule after the Colorado Department of Revenue's liquor rules. Based upon written comments and testimony during working groups and public hearings, this rule was amended to remove restrictions on the hours during which initiating the transportation of Retail Marijuana and Retail Marijuana Product is permitted.

R 308 – Selling and Serving, Retail Marijuana and Retail Marijuana Product - Hours of Operation

- A. Hours of Operation. Retail Marijuana Establishments shall not sell or serve Retail Marijuana or Retail Marijuana Product at any time other than between the hours of 8:00 am and 12:00 am, Mountain Time, Monday through Sunday.
- B. Local Jurisdictions May Further Restrict Hours. Nothing in this rule shall prohibit a local jurisdiction from further restricting hours of operation within its jurisdiction.

Basis and Purpose – R 309

The statutory authority for this rule includes but is not limited to sections 44-12-104(1)(a)(III), 44-12-201(1), 44-12-202(2)(b), 44-12-402(1)(d), 44-12-402(4), 44-12-403, and 44-12-404(1)(b), C.R.S. The purpose of this rule is to establish a system that will allow the State Licensing Authority and the industry to jointly track Retail Marijuana and Retail Marijuana Product from either seed or immature plant stage until the Retail Marijuana or Retail Marijuana Product is sold to the customer or destroyed.

The Inventory Tracking System is a web-based tool coupled with RFID technology that allows both the Inventory Tracking System user and the State Licensing Authority the ability to identify and account for all

Retail Marijuana, Retail Marijuana Concentrate, or Retail Marijuana Product. Through the use of RFID technology, a Retail Marijuana Cultivation Facility will tag either the seed or immature plant with an individualized number, which will follow the Retail Marijuana through all phases of production and final sale to a consumer. This will allow the State Licensing Authority and the Inventory Tracking System user the ability to monitor and track Retail Marijuana, Retail Marijuana Concentrate, and Retail Marijuana Product inventory. The Inventory Tracking System will also provide a platform for the State Licensing Authority to exchange information and provide compliance notifications to the industry.

The State Licensing Authority finds it essential to regulate, monitor, and track all Retail Marijuana to eliminate diversion, inside and outside of the state, and to ensure that all marijuana grown, processed, sold and disposed of in the Retail Marijuana market is transparently accounted for.

The State Licensing Authority will engage the industry and provide training opportunities and continue to evaluate the Inventory Tracking System to promote an effective means for this industry to account for and monitor its Retail Marijuana inventory.

Regarding quantity limitations on sales, equivalencies for Retail Marijuana Concentrate and Retail Marijuana Product to Retail Marijuana flower have been included in this rule pursuant to the mandate of House Bill 14-1361. The equivalencies have been determined through utilizing findings of a study that the House Bill authorized. The study, “Marijuana Equivalency in Portion and Dosage,” was authored by the Marijuana Policy Group and is available on the Division’s website. The study was presented to a group of stakeholders during a public meeting as part of the rulemaking process. Although there was disagreement among stakeholders regarding what the equivalencies should be, the general consensus was that the equivalencies must be simple and straightforward, which would facilitate regulatory compliance and serve public safety.

The establishment of equivalencies also provides information to stakeholders including Licensees, the general public, and law enforcement to aid in the enforcement of and compliance with the lawful personal possession limit of one ounce or less of marijuana. Setting these equivalencies provides Retail Marijuana Stores and their employees with necessary information to avoid being complicit in a patron acquiring more marijuana than is lawful to possess under the Colorado Constitution pursuant to Article XVIII, Subsection 16(3)(a).

- G. DMSO. The use of Dimethylsulfoxide ("DMSO") in the production of Retail Marijuana shall be prohibited and possession of DMSO upon the Licensed Premises is prohibited.
- H. Adulterants. A Retail Marijuana Cultivation Facility may not treat or otherwise adulterate Retail Marijuana with any chemical or other compound whatsoever to alter its color, appearance, weight or smell.
- I. Independent Health and Sanitary Audit
 - 1. State Licensing Authority May Require A Health and Sanitary Audit
 - a. When the State Licensing Authority determines a health and sanitary audit by an independent consultant is necessary, it may require a Retail Marijuana

- Cultivation Facility to undergo such an audit. The scope of the audit may include, but need not be limited to, whether the Retail Marijuana Cultivation Facility is in compliance with the requirements set forth in this rule and other applicable public health or sanitary laws and regulations.
- b. In such instances, the Division may attempt to mutually agree upon the selection of the independent consultant with a Retail Marijuana Cultivation Facility. However, the Division always retains the authority to select the independent consultant regardless of whether mutual agreement can be reached.
 - c. The Retail Marijuana Cultivation Facility will be responsible for all costs associated with the independent health and sanitary audit.
2. When Independent Health and Sanitary Audit Is Necessary. The State Licensing Authority has discretion to determine when an audit by an independent consultant is necessary. The following is a non-exhaustive list of examples that may justify an independent audit:
- a. A Retail Marijuana Cultivation Facility does not provide requested records related to the use of Pesticide or other agricultural chemicals during in the cultivation process;
 - b. The Division has reasonable grounds to believe that the Retail Marijuana Cultivation Facility is in violation of one or more of the requirements set forth in this rule or other applicable public health or sanitary laws, rules or regulations;
 - c. The Division has reasonable grounds to believe that the Retail Marijuana Cultivation Facility was the cause or source of contamination of Retail Marijuana or Retail Marijuana Concentrate; or
 - d. Multiple Harvest Batches or Production Batches produced by the Retail Marijuana Cultivation Facility failed contaminant testing.
3. Compliance Required. A Retail Marijuana Cultivation Facility must pay for and timely cooperate with the State Licensing Authority's requirement that it undergo an independent health and sanitary audit in accordance with this Rule.
4. Suspension of Operations
- a. If the State Licensing Authority has objective and reasonable grounds to believe and finds upon reasonable ascertainment of the underlying facts that the public health, safety or welfare imperatively requires emergency action and incorporates such findings into its order, it may order summary suspension of the Retail Marijuana Cultivation Facility's license. See Rule R 1302 – Disciplinary Process: Summary Suspensions.
 - b. Prior to or following the issuance of such an order, the Retail Marijuana Cultivation Facility may attempt to come to a mutual agreement with the Division to suspend its operations until the completion of the independent audit and the implementation of any required remedial measures.
 - i. If an agreement cannot be reached or the State Licensing Authority, in its sole discretion, determines that such an agreement is not in the best interests of the public health, safety or welfare, then the State Licensing Authority will promptly institute license suspension or revocation

procedures. See Rule R 1302 – Disciplinary Process: Summary Suspensions.

- ii. If an agreement to suspend operations is reached, then the Retail Marijuana Cultivation Facility may continue to care for its inventory and conduct any necessary internal business operations but it may not Transfer or wholesale Retail Marijuana or Retail Marijuana Concentrate to any other Retail Marijuana Establishment during the period of time specified in the agreement.

J. Contaminated Product. Unless otherwise permitted by these rules:

1. A Retail Marijuana Cultivation Facility shall not accept or Transfer to another Retail Marijuana Establishment or any other Person any Retail Marijuana or Retail Marijuana Concentrate that has failed required testing pursuant to Rule R 1501 or Rule R 1503.
2. If a Retail Marijuana Cultivation Facility possesses any Retail Marijuana or Retail Marijuana Concentrate that failed required testing pursuant to Rule R 1501 or Rule R 1503, the Retail Marijuana Cultivation Facility shall assure that all Retail Marijuana and Retail Marijuana Concentrate that failed required testing is destroyed safely in accordance with Rule R 307.

K. Violation Affecting Public Safety. Failure to comply with this Rule may constitute a license violation affecting public safety.

Basis and Purpose – R 505

The statutory authority for this rule includes but is not limited to sections 44-12-202(2)(b), 44-12-202(3)(a)(VIII), 44-12-202(3)(a)(XI), and 44-12-202(3)(c)(VIII), 44-12-403, and 44-12-405, C.R.S. The purpose of this rule is to establish the categories of Retail Marijuana Concentrate that may be produced at a Retail Marijuana Cultivation Facility and standards for the production of Retail Marijuana Concentrate.

R 505 – Retail Marijuana Cultivation Facilities: Retail Marijuana Concentrate Production

- A. Permitted Production of Certain Categories of Retail Marijuana Concentrate. A Retail Marijuana Cultivation Facility may only produce Water-Based Retail Marijuana Concentrate on its Licensed Premises and only in an area clearly designated for concentrate production on the current diagram of the Licensed Premises. See Rule R 901- Business Records Required. No other method of production or extraction for Retail Marijuana Concentrate may be conducted within the Licensed Premises of a Retail Marijuana Cultivation Facility unless the Owner(s) of the Retail Marijuana Cultivation Facility also has a valid Retail Marijuana Products Manufacturing Facility license and the room in which Retail Marijuana Concentrate is to be produced is physically separated from all cultivation areas and has clear signage identifying the room.
- B. Safety and Sanitary Requirements for Concentrate Production. If a Retail Marijuana Cultivation Facility produces Retail Marijuana Concentrate, then all areas in which the Retail Marijuana Concentrate are produced and all Owners and Occupational Licensees engaged in the production of the Retail Marijuana Concentrate shall be subject to all of the requirements imposed upon a Retail Marijuana Products Manufacturing Facility that produces Retail Marijuana Concentrate, including all general requirements. See Rule R 604– Health and Safety Regulations: Retail Marijuana Products Manufacturing Facility and Rule R 605 – Retail Marijuana Products Manufacturing Facility: Retail Marijuana Concentrate Production.
- C. Possession of Other Categories of Retail Marijuana Concentrate.

1. It shall be considered a violation of this Rule if a Retail Marijuana Cultivation Facility possesses a Retail Marijuana Concentrate other than a Water-Based Retail Marijuana Concentrate on its Licensed Premises unless: the Owner(s) of the Retail Marijuana Cultivation Facility also has a valid Retail Marijuana Products Manufacturing Facility license; or the Retail Marijuana Cultivation Facility has been issued a Centralized Distribution Permit and is in possession of the Retail Marijuana Concentrate in compliance with Rule R 501(J).
2. Notwithstanding subparagraph (C)(1) of this Rule R 505, a Retail Marijuana Cultivation Facility shall be permitted to possess Solvent-Based Retail Marijuana Concentrate only when the possession is due to the Transfer of Retail Marijuana flower or trim that failed microbial testing to a Retail Marijuana Products Manufacturing Facility for processing into a Solvent-Based Retail Marijuana Concentrate, and the Retail Marijuana Products Manufacturing Facility Transfers the resultant Solvent-Based Retail Marijuana Concentrate back to the originating Retail Marijuana Cultivation Facility.
 - a. The Retail Marijuana Cultivation Facility shall comply with all requirements in Rule R 1507(B.1) when having Solvent-Based Retail Marijuana Concentrate manufactured out of Retail Marijuana flower or trim that failed microbial testing.
 - b. The Retail Marijuana Cultivation Facility is responsible for submitting the Solvent-Based Retail Marijuana Concentrate for all required testing for contaminants pursuant to Rule R 1501 – Retail Marijuana Testing Program – Contaminant Testing, for potency pursuant to rule R 1503 – Retail Marijuana Testing Program – Potency Testing, and any other testing required or allowed by the Retail Marijuana Rules or Retail Marijuana Code.
 - c. Nothing in this Rule removes or alters the responsibility of the Retail Marijuana Cultivation Facility that Transfers the Retail Marijuana that failed microbial testing from complying with the requirement to pay excise tax pursuant to rule R 502(E).

D. Production of Alternative Use Product or Audited Product Prohibited. A Retail Marijuana Cultivation Facility shall not produce an Alternative Use Product or Audited Product.

E. Possession of Alternative Use Product or Audited Product. A Retail Marijuana Cultivation Facility is authorized to possess or Transfer Alternative Use Product and/or Audited Product only if the Retail Marijuana Cultivation Facility received the Alternative Use Product and/or Audited Product pursuant to a Centralized Distribution Permit from a Retail Marijuana Products Manufacturing Facility that is manufacturing and Transferring the Alternative Use Product or Audited Product in accordance with Rule R 607.

Basis and Purpose – R 506

The statutory authority for this rule includes but is not limited to sections 44-12-202(2)(b), 44-12-202(3)(a)(I-II), 44-12-202(3)(c)(VIII), 44-12-202(4)(a-b), 44-12-103, 44-12-104, and 44-12-501, C.R.S.

The rule establishes a means by which to manage the overall production of Retail Marijuana. The intent of this rule is to encourage responsible production to meet demand for retail marijuana, while also avoiding overproduction or underproduction. The establishment of production management is necessary to ensure there is not significant under or over production, either of which will increase incentives to engage in diversion and facilitate the continuation of the sale of illegal marijuana.

The State Licensing Authority intends to replace or revise this rule's production management provisions as early as January 2017 by transitioning to an output-based production management model. Existing and prospective licensees should be on notice that the new or revised regulations may impact the

production limits provided for in this rule. Additionally, throughout the rulemaking process stakeholders expressed concern over ensuring an adequate amount of licensed Retail Marijuana Stores exist to sell the amount of Retail Marijuana being produced at licensed Retail Marijuana Cultivation Facilities. Scaling the number of interests a Person may hold in Retail Marijuana Cultivation Facility licenses relative to the number of controlling interests the Person has in Retail Marijuana Store(s) has been incorporated in the production management rules as a means to address this production management concern.

R 506 – Retail Marijuana Cultivation Facility: Production Management

- 4. Suspension of Operations
 - a. If the State Licensing Authority has objective and reasonable grounds to believe and finds upon reasonable ascertainment of the underlying facts that the public health, safety or welfare imperatively requires emergency action and incorporates such findings into its order, it may order summary suspension of the Retail Marijuana Products Manufacturing Facility's license. See Rule R 1302 – Disciplinary Process: Summary Suspensions.
 - b. Prior to or following the issuance of such an order, the Retail Marijuana Products Manufacturing Facility may attempt to come to a mutual agreement with the Division to suspend its operations until the completion of the independent audit and the implementation of any required remedial measures.
 - i. If an agreement cannot be reached or the State Licensing Authority, in its sole discretion, determines that such an agreement is not in the best interests of the public health, safety or welfare, then the State Licensing Authority will promptly institute license suspension or revocation procedures. See Rule R 1302 – Disciplinary Process: Summary Suspensions.
 - ii. If an agreement to suspend operations is reached, then the Retail Marijuana Products Manufacturing Facility may continue to care for its inventory and conduct any necessary internal business operations but it may not Transfer or wholesale Retail Marijuana, Retail Marijuana Concentrate or Retail Marijuana Product to another Retail Marijuana Establishment during the period of time specified in the agreement. Depending on the condition of the Retail Marijuana Products Manufacturing Facility and required remedial measures, the Division may permit a Retail Marijuana Products Manufacturing Facility to produce Retail Marijuana Concentrate or manufacture Retail Marijuana Product while operations have been suspended.

The purpose of this rule is to define requirements for manufacture of Audited Product for administration by: (1) metered dose nasal spray, (2) pressurized metered dose inhaler, (3) vaginal administration, or (4) rectal administration which may raise public health concerns. The Retail Code mandates that a Retail Marijuana Establishment must pay for an audit when the State Licensing Authority deems an audit necessary. This rule explains when an audit may be deemed necessary and sets forth possible consequences of a Retail Marijuana Establishment's refusal to cooperate or pay for the audit.

R 903 – Independent Audit May Be Required

- A. State Licensing Authority May Require Independent Audit
 - 1. When the State Licensing Authority deems it necessary, it may require a Retail Marijuana Establishment to undergo an audit by an independent accountant. The scope of the audit may include, but need not be limited, to financial transactions and inventory control measures.
 - 2. In such instances, the Division may attempt to mutually agree upon the selection of the independent accountant with a Retail Marijuana Establishment. The independent accountant shall be a certified public accountant licensed by, and in good standing with, the Colorado State Board of Accountancy.
 - 3. The Retail Marijuana Establishment will be responsible for all direct costs associated with the independent audit.
- B. When Independent Audit Is Necessary. The State Licensing Authority has discretion to determine when an audit by an independent accountant is necessary. The following is a non-exhaustive list of examples that may justify an independent audit:

Basis and Purpose – R 904

The statutory authority for this rule ~~is found at~~ includes but is not limited to sections 44-11-201(4), 44-11-202(1)(d), 44-12-202(2)(b), 44-12-202(1), 44-12-202(2)(d), 44-12-202(3)(c)(VIII), 44-12-309(11), and 44-12-901(2)(a), C.R.S. The State Licensing Authority must be able to immediately access information regarding a Retail Marijuana Establishment's managing individual. Accordingly, this rule reiterates the statutory mandate that Licensees provide any management change to the Division within seven days of any change, and also clarifies that a Licensee must save a copy of any management change report to the Division, and clarifies that failure to follow this rule can result in discipline.

The State Licensing Authority finds it essential to the stringent and comprehensive enforcement of the Retail Code to regulate, monitor, and track all Retail Marijuana in order to prevent diversion and to ensure that all Retail Marijuana grown, processed, sold, and disposed of in the Retail Marijuana market is accounted for transparently in accordance with the Retail Code.

Requiring Licensees to report instances when the Retail Marijuana they cultivate, manufacture, distribute, sell, or dispose of is stolen, unlawfully transferred, or otherwise diverted from the regulated market, or when Licensees discover plans to divert the Retail Marijuana, emphasizes that Licensees are accountable for their Retail Marijuana at all times and contributes to the transparency of the regulated market.

In addition to maintaining transparency in the regulated marijuana industry, the State Licensing Authority also must ensure the confidentiality of certain Licensee information and records, including information in the Inventory Tracking System. Requiring Licensees to report instances where the Inventory Tracking System was compromised or planned to be compromised through unlawful access, use for unlawful purposes, the deliberate alteration or deletion of data, or deliberately entering false data, contributes to ensuring the accuracy and transparency of the system and therefore the regulated market, and aids in maintaining the confidentiality of Licensee data.

R 904 – Retail Marijuana Establishment Reporting Requirements

R 1100 Series – Signage and Advertising

Basis and Purpose – R 1102

The statutory authority for this rule ~~is found at~~includes but is not limited to sections 44-12-202(2)(b), 44-12-202(3)(d)(I), and 44-12-901(4)(b), C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(a)(VIII). The purpose of this rule is to clearly delineate that a Retail Marijuana Establishment is not permitted to make deceptive, false, or misleading statements in Advertising materials or on any product or document provided to a consumer.

R 1102 – Advertising General Requirement: No Deceptive, False or Misleading Statements

A Retail Marijuana Establishment shall not engage in Advertising that is deceptive, false, or misleading. A Retail Marijuana Establishment shall not make any deceptive, false, or misleading assertions or statements on any product, any sign, or any document provided to a consumer.

Basis and Purpose – R 1103

The statutory authority for this rule ~~is found at~~includes but is not limited to sections 44-12-202(2)(b), 44-12-202(3)(d)(I), and 44-12-901(4)(b), C.R.S. Authority also exists throughout Article XVIII, Section 16 of the Colorado Constitution. The purpose of this rule is to clarify the definition of the term “minor” as used in the Retail Code and these rules.

R 1103 – The Term “Minor” as Used in the Retail Code and These Rules

The term “minor” as used in the Retail Code and these rules means an individual under the age of 21.

Basis and Purpose – R 1104

The statutory authority for this rule ~~is found at~~includes but is not limited to sections 44-12-202(2)(b) and 44-12-202(3)(d)(I), C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsections 16(5)(a)(V) and (5)(a)(VIII). The purpose of this rule is to clarify the restrictions applicable to television Advertising.

The operation of Retail Marijuana Establishments in Colorado is authorized solely within the narrow confines of the Colorado Constitution, Article XVIII, Section 16. Article XVIII, Section 16 of the Colorado Constitution prohibits the purchase, possession and consumption of Retail Marijuana by those under the age of 21. See for example Colo. Const. art XVIII, §16(1)(a), (1)(b)(I), (1)(b)(II), 2)(b), (3), (4), (5)(a)(V), (5)(c), and 6(c). The Colorado Constitution calls for the regulation of marijuana “in a manner similar to alcohol” in certain key respects. Colo. Const. Art. XVIII, §16(1)(b). The constitutionally mandated regulatory scheme governing Retail Marijuana Establishments must include rules establishing restrictions on the advertising and display of marijuana and marijuana product, and must include requirements to prevent the sale or diversion of marijuana and marijuana product to persons under the age of 21. Colo. Const. Art. XVIII, §16(5)(a)(V) and (VIII). Through the Retail Code adopted in 2013, the Colorado General Assembly provided further direction regarding mandated advertising restrictions. See §44-12-202(3)(d), C.R.S. The Retail Code requires the State Licensing Authority to promulgate rules on the subject of signage, marketing and advertising restrictions that include but are not limited to a prohibition on mass-market campaigns that have a high likelihood of reaching minors. See §44-12-202(3)(d)(I), C.R.S. Through the rulemaking process, the State Licensing Authority received extensive comments reflecting the strong influence advertising has on minors’ decision-making with regard to substance use and abuse. Nearly all live testimony at the rulemaking hearing requested less restrictive advertising rules, but written commentary included multiple perspectives. The written and oral testimony and commentary included a variety of recommended standards for determining when advertising has a high likelihood of reaching minors. Voluntary standards adopted by the alcohol industry direct the industry to refrain from advertising where more than approximately 30 percent of the audience is reasonably expected to be under the age of 21. After reviewing the rulemaking record, the State Licensing Authority has determined that in order to prevent advertising that has a high likelihood of reaching minors, it is appropriate to model the Retail

Marijuana Advertising restrictions on this voluntary standard used by the alcohol industry. This standard is consistent with the directive in the state constitution to regulate marijuana in a manner that is similar to alcohol, while also recognizing that the legal status of the marijuana industry and the legal status of the liquor industry are not the same. These rules apply to Advertising as defined in Rule R 103. Advertising includes marketing but not labeling. Advertising includes only those promotions, positive statements or endorsements that are obtained in exchange for consideration. The State Licensing Authority will continue to evaluate the best way to implement the state constitutional directive to establish appropriate advertising restrictions for this emerging industry, and will in particular continue to monitor and evaluate advertising, marketing and signage to protect the interests of those under the age of 21 and to prevent underage use of marijuana.

R 1104 – Advertising: Television

- A. Television Defined. As used in this rule, the term “television” means a system for transmitting visual images and sound that are reproduced on screens, and includes broadcast, cable, on-demand, satellite, or internet programming. Television includes any video programming downloaded or streamed via the internet.
- B. Television Advertising. A Retail Marijuana Establishment shall not utilize television Advertising unless the Retail Marijuana Establishment has reliable evidence that no more than 30 percent of the audience for the program on which the Advertising is to air is reasonably expected to be under the age of 21.

Basis and Purpose – R 1105

The statutory authority for this rule ~~is found at~~ includes but is not limited to sections 44-12-202(2)(b) and 44-12-202(3)(d)(I), C.R.S. The State Licensing Authority will continue to evaluate the best way to implement the state constitutional directive to establish appropriate advertising restrictions for this emerging industry, and will in particular continue to monitor and evaluate advertising, marketing and signage to protect the interests of those under the age of 21 and to prevent underage use of marijuana.

R 1105 – Advertising: Radio

- A. Radio Defined. As used in this rule, the term “radio” means a system for transmitting sound without visual images, and includes broadcast, cable, on-demand, satellite, or internet programming. Radio includes any audio programming downloaded or streamed via the internet.
- B. Radio Advertising. A Retail Marijuana Establishment shall not engage in radio Advertising unless the Retail Marijuana Establishment has reliable evidence that no more than 30 percent of the audience for the program on which the Advertising is to air is reasonably expected to be under the age of 21.

Basis and Purpose – R 1106

The statutory authority for this rule ~~is found at~~ includes but is not limited to sections 44-12-202(2)(b) and 44-12-202(3)(d)(I), C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsections 16(5)(a)(V) and (5)(a)(VIII). The purpose of this rule is to clarify the restrictions applicable to Advertising in print media.

The operation of Retail Marijuana Establishments in Colorado is authorized solely within the narrow confines of the Colorado Constitution, Article XVIII, Section 16. Article XVIII, Section 16 of the Colorado Constitution prohibits the purchase, possession and consumption of Retail Marijuana by those under the age of 21. See for example Colo. Const. art XVIII, §16(1)(a), (1)(b)(I), (1)(b)(II), 2)(b), (3), (4), (5)(a)(V), (5)(c), and 6(c). The Colorado Constitution calls for the regulation of marijuana “in a manner similar to alcohol” in certain key respects. Colo. Const. Art. XVIII, §16(I)(b). The constitutionally mandated regulatory scheme governing Retail Marijuana Establishments must include rules establishing restrictions on the advertising and display of marijuana and marijuana product, and must include requirements to prevent the sale or diversion of marijuana and marijuana product to persons under the age of 21. Colo. Const. Art. XVIII, §16(5)(a)(V) and (VIII). Through the Retail Code adopted in 2013, the Colorado General Assembly provided further direction regarding mandated advertising restrictions. See §44-12-202(3)(d), C.R.S. The Retail Code requires the State Licensing Authority to promulgate rules on the subject of signage, marketing and advertising restrictions that include but are not limited to a prohibition on mass-market campaigns that have a high likelihood of reaching minors. See §44-12-202(3)(d)(I), C.R.S. Through the rulemaking process, the State Licensing Authority received extensive comments reflecting the strong influence advertising has on minors’ decision-making with regard to substance use and abuse. Nearly all live testimony at the rulemaking hearing requested less restrictive advertising rules, but written commentary included multiple perspectives. The written and oral testimony and commentary included a variety of recommended standards for determining when advertising has a high likelihood of reaching minors. Voluntary standards adopted by the alcohol industry direct the industry to refrain from advertising where more than approximately 30 percent of the audience is reasonably expected to be under the age of 21. After reviewing the rulemaking record, the State Licensing Authority has determined that in order to prevent advertising that has a high likelihood of reaching minors, it is appropriate to model the Retail Marijuana Advertising restrictions on this voluntary standard used by the alcohol industry. This standard is consistent with the directive in the state constitution to regulate marijuana in a manner that is similar to alcohol, while also recognizing that the legal status of the marijuana industry and the legal status of the liquor industry are not the same. These rules apply to Advertising as defined in Rule R 103. Advertising includes marketing but not labeling. Advertising includes only those promotions, positive statements or endorsements that are obtained in exchange for consideration. The State Licensing Authority will continue to evaluate the best way to implement the state constitutional directive to establish appropriate

advertising restrictions for this emerging industry, and will in particular continue to monitor and evaluate advertising, marketing and signage to protect the interests of those under the age of 21 and to prevent underage use of marijuana.

R 1107 – Advertising: Internet

A Retail Marijuana Establishment shall not engage in Advertising via the internet unless the Retail Marijuana Establishment has reliable evidence that no more than 30 percent of the audience for the

Basis and Purpose – R 1108

The statutory authority for this rule ~~is found at~~includes but is not limited to sections 44-12-202(2)(b) and 44-12-202(3)(d)(I), C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(a)(VIII). The purpose of this rule is to clarify the restrictions applicable to Advertising in a medium designed to target out-of-state residents.

The operation of Retail Marijuana Establishments in Colorado is permitted solely within the narrow confines of the Colorado Constitution, Article XVIII, Section 16. Colorado is one of the first two states to have authorized the regulated growth and sale of Retail Marijuana, and it has done so in the context of a longstanding federal ban on such activities. The State Licensing Authority finds that it is essential to regulate Retail Marijuana in the state of Colorado in a manner that does not negatively impact the ability of other states or the federal government to enforce their drug laws. The State Licensing Authority finds that the below restrictions on Advertising as defined in these Retail Marijuana rules are critical to prevent the diversion of Retail Marijuana outside of the state. The State Licensing Authority will continue to monitor and evaluate the best way to implement the state constitutional directive to establish appropriate Advertising restrictions for this emerging industry.

R 1114 – Pop-Up Advertising

A Retail Marijuana Establishment shall not utilize unsolicited pop-up Advertising on the internet.

Basis and Purpose – R 1115

The statutory authority for this rule ~~is found at~~ **includes but is not limited to** sections 44-12-202(2)(b) and 44-12-202(3)(d)(I), C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(a)(VIII). The purpose of this rule is to clarify the Advertising restrictions applicable to event sponsorship.

The operation of Retail Marijuana Establishments in Colorado is authorized solely within the narrow confines of the Colorado Constitution, Article XVIII, Section 16. Article XVIII, Section 16 of the Colorado Constitution prohibits the purchase, possession and consumption of Retail Marijuana by those under the age of 21. See for example Colo. Const. art XVIII, §16(1)(a), (1)(b)(I), (1)(b)(II), 2)(b), (3), (4), (5)(a)(V), (5)(c), and 6(c). See §44-12-202(3)(d), C.R.S. The Retail Code requires the State Licensing Authority to promulgate rules on the subject of signage, marketing and advertising restrictions that include but are not limited to a prohibition on mass-market campaigns that have a high likelihood of reaching minors. Through the rulemaking process, the State Licensing Authority received extensive comments reflecting the strong influence advertising has on minors’ decision-making with regard to substance use and abuse. Nearly all live testimony at the rulemaking hearing requested less restrictive advertising rules, but written commentary included multiple perspectives. This rule in particular received extensive commentary from the industry. It has been modified and clarified in response to that commentary. The written and oral testimony and commentary included a variety of recommended standards for determining when Advertising has a high likelihood of reaching minors. After reviewing the rulemaking record, the State Licensing Authority has determined that it is appropriate to utilize the current voluntary standard in the alcohol industry that Advertising that is likely to reach an audience comprise of more than 30 percent individuals under the age of 21 should be prohibited, as such advertising has a high likelihood of reaching minors. This standard is consistent with the directive in the state constitution to regulate marijuana in a manner that is similar to alcohol, while also recognizing that the legal status of the marijuana industry and the legal status of the liquor industry are not the same. These rules apply only to Advertising as defined in Rule R 103. Advertising includes marketing but not labeling. Advertising includes only those promotions, positive statements or endorsements that are obtained in exchange for consideration. The State Licensing Authority will continue to evaluate the appropriate way to implement the state constitutional directive to establish appropriate advertising restrictions for this emerging industry, and will in particular continue to monitor and evaluate Advertising and signage to protect the interests of those under the age of 21 and to prevent underage use of marijuana.

R 1115 – Advertising: Event Sponsorship

A Retail Marijuana Establishment may sponsor a charitable, sports, or similar event, but a Retail Marijuana Establishment shall not engage in Advertising at, or in connection with, such an event unless the Retail Marijuana Establishment has reliable evidence that no more than 30 percent of the audience at the event and/or viewing Advertising in connection with the event is reasonably expected to be under the age of 21.

The statutory authority for this rule includes but is not limited to sections 44-12-202(2)(b), 44-12-202(3)(c)(II), 44-12-202(3)(c)(III), and 44-12-602, C.R.S. 3. Failure to comply with this Rule may constitute a license violation affecting public safety.

B. Administrative Hold

1. To prevent destruction of evidence, diversion or other threats to public safety, while permitting a Licensee to retain its inventory pending further investigation, a Division investigator may order an administrative hold of Retail Marijuana, Retail Marijuana Concentrate, and Retail Marijuana Product pursuant to the following procedure:
 - a. If during an investigation or inspection of a Licensee, a Division investigator develops reasonable grounds to believe certain Retail Marijuana, Retail Marijuana Concentrate, and Retail Marijuana Product constitute evidence of acts in violation of the Retail Code or rules promulgated pursuant to it, or constitute a threat to the public safety, the Division investigator may issue a notice of administrative hold of any such Retail Marijuana, Retail Marijuana Concentrate, and Retail Marijuana Product. The notice of administrative hold shall provide a documented description of the Retail Marijuana, Retail Marijuana Concentrate, or Retail Marijuana Product to be subject to the administrative hold and a concise statement that is promptly issued and approved by the Director or his or her designee regarding the reasons for issuing the administrative hold.
 - b. Following the issuance of a notice of administrative hold, the Division will identify the Retail Marijuana, Retail Marijuana Concentrate, and Retail Marijuana Product subject to the administrative hold in the Inventory Tracking System. The Licensee shall continue to comply with all tracking requirements. See Rule R 309 Retail Marijuana Establishments: Inventory Tracking System.

- f. Nothing herein shall prevent a Licensee from voluntarily surrendering Retail Marijuana, Retail Marijuana Concentrate, or Retail Marijuana Product that is subject to an administrative hold, except that the Licensee must follow the procedures set forth in paragraph (C) for voluntary surrender of Retail Marijuana, Retail Marijuana Concentrate, or Retail Marijuana Product.
- g. Nothing herein shall prevent a Licensee from the continued possession, cultivation or harvesting of the Retail Marijuana subject to the administrative hold. All Retail Marijuana, Retail Marijuana Concentrate, and Retail Marijuana Product subject to an administrative hold must be put into separate Harvest Batches.
- h. At any time after the initiation of the administrative hold, the Division may lift the administrative hold, order the continuation of the administrative hold pending the administrative process, or seek other appropriate relief.

- 3. The voluntary surrender form may be utilized even if the Licensee does not waive the right to hearing and any associated rights, with the understanding that the outcome of the hearing does not impact the validity of the voluntary surrender.

4. A Licensee, after a Final Agency Order and upon mutual agreement with the Division, may elect to voluntarily surrender any Retail Marijuana, Retail Marijuana Concentrate, or Retail Marijuana Product to the Division.
 - a. The Licensee must complete and return the Division's voluntary surrender form within 15 calendar days of the date of the Final Agency Order.
 - b. Such voluntary surrender may require destruction of any Retail Marijuana, Retail Marijuana Concentrate, or Retail Marijuana Product in the presence of a Division investigator and at the Licensee's expense.
 - c. The individual signing the Division's voluntary surrender form on behalf of the Licensee must certify that the individual has authority to represent and bind the Licensee.

Basis and Purpose – R 1203

The statutory authority for this rule includes but is not limited to sections 44-12-202(2)(b), 44-12-202(3)(c)(I), 44-12-202(3)(c)(III), and 44-12-602, C.R.S. The purpose of this rule is to provide guidance following either an agency decision or under any circumstances where the Licensee is ordered to surrender and/or destroy unauthorized Retail Marijuana, unauthorized Retail Marijuana Concentrate, or unauthorized Retail Marijuana Product. This rule also provides guidance as to the need to preserve evidence during agency investigations or subject to agency order.

R 1203 – Disposition of Unauthorized Retail Marijuana

- A. After a Final Agency Order Orders the Destruction of Marijuana. If the State Licensing Authority issues a Final Agency Order pursuant to section 44-12-602, C.R.S., that orders the destruction of some or all of the Licensee's unauthorized Retail Marijuana, unauthorized Retail Marijuana Concentrate, or unauthorized Retail Marijuana Product, the Licensee may:
 1. Voluntarily Surrender. The Licensee may voluntarily surrender to the Division all of its unauthorized Retail Marijuana, unauthorized Retail Marijuana Concentrate, and unauthorized Retail Marijuana Product that are described in the Final Agency Order in accordance with the provisions of Rule R 1202(C).
 2. Seek A Stay. The Licensee may file a petition for a stay of the Final Agency Order with the Denver district court within 15 days of the date of the Final Agency Order.
 3. Take No Action. If the Licensee does not either (1) voluntarily surrender its unauthorized Retail Marijuana, unauthorized Retail Marijuana Concentrate, or unauthorized Retail Marijuana Product as set forth in subparagraph (A)(1) of this rule; or (2) properly seek a stay of the Final Agency Order as set forth in subparagraph (A)(2) of this rule, the Division will enter upon the Licensed Premises and seize and destroy the unauthorized Retail Marijuana, unauthorized Retail Marijuana Concentrate, and/or Retail Marijuana Product that are the subject of the Final Agency Order.
- B. General Requirements Applicable To All Licensees Following Final Agency Order To Destroy Unauthorized Retail Marijuana, Unauthorized Retail Marijuana Concentrate, and Unauthorized Retail Marijuana Product. The following requirements apply regardless of whether the Licensee voluntarily surrenders its unauthorized Retail Marijuana, unauthorized Retail Marijuana Concentrate, or unauthorized Retail Marijuana Product seeks a stay of agency action, or takes no action:

1. The 15 day period set forth in section 44-12-602(5), C.R.S., and this rule shall include holidays and weekends.
2. During the period of time between the issuance of the Final Agency Order and the destruction of the unauthorized Retail Marijuana, unauthorized Retail Marijuana Concentrate, or unauthorized Retail Marijuana Product the Licensee shall not sell, destroy, or otherwise let any unauthorized Retail Marijuana, unauthorized Retail Marijuana Concentrate, or unauthorized Retail Marijuana Product that are subject to the Final Agency Order leave the Licensed Premises, unless specifically authorized by the State Licensing Authority or Court order.
3. During the period of time between the issuance of the Final Agency Order and the destruction of unauthorized Retail Marijuana, unauthorized Retail Marijuana Concentrate, or unauthorized Retail Marijuana Product, the Licensee must safeguard any unauthorized Retail Marijuana, unauthorized Retail Marijuana Concentrate, or unauthorized Retail Marijuana Product in its possession or control and must fully comply with all security requirements including but not limited to surveillance, lock and alarm requirements set forth in the Retail Code and the rules of the State Licensing Authority.
4. Unless the State Licensing Authority otherwise orders, the Licensee may cultivate, water, or otherwise care for any unauthorized Retail Marijuana, unauthorized Retail Marijuana Concentrate, or unauthorized Retail Marijuana Product that are subject to the Final Agency Order during the period of time between the issuance of the Final Agency order and the destruction of the unauthorized Retail Marijuana or unauthorized Retail Marijuana Product.
5. If a district attorney notifies the Division that some or all of the unauthorized Retail Marijuana, unauthorized Retail Marijuana Concentrate, or unauthorized Retail Marijuana Product is involved in an investigation, the Division shall not destroy the unauthorized Retail Marijuana, unauthorized Retail Marijuana Concentrate, or unauthorized Retail Marijuana Product until approved by the district attorney.

Basis and Purpose - R 1204

The statutory authority for this rule ~~is found at~~includes but is not limited to sections 44-12-202(2)(b), 44-12-202(3)(c)(I), and 44-12-202(3)(c)(III), 44-12-202(3)(c)(VII), and 44-12-202(3)(c)(VIII), C.R.S. This rule explains that Division investigators may exercise discretion in issuing written warning when, during the course of a compliance check or investigation, the Division investigator identifies a violation(s) of the Retail Code or the rules promulgated thereunder. This rule also explains that the Director of the Division may exercise discretion to accept an assurance of voluntary compliance. It also explains the evidentiary value of a written warning or an assurance of voluntary compliance ~~should a licensee not comply with the agreement.~~

R 1204 — Written Warnings and Assurances of Voluntary Compliance

- A. Written Warnings. During an investigation, if a Division investigator identifies a violation(s) of the Retail Code or the rules promulgated thereunder, the Division investigator may issue a written warning in lieu of recommending immediate administrative action.
1. The written warning shall identify the alleged violation(s).
 2. The written warning shall not constitute an admission of a violation(s) for any purpose or finding of a violation(s) by the State Licensing Authority, and shall not be evidence that Licensee violated the Retail Code, or the rules promulgated thereunder.

3. A written warning shall constitute evidence in any subsequent administrative proceeding, if relevant, that the Licensee was previously warned of the violation(s).

4. The Division may in its discretion initiate a subsequent administrative action and prove the violation(s) that was the subject of the written warning

B. Assurances of Voluntary Compliance. The Director of the Division may accept an assurance of voluntary compliance regarding any act or practice alleged to violate the Retail Code, or the rules and regulations thereunder, ~~from a person who has engaged in, is engaging in, or is about to engage in such acts or practices.~~

~~B1.~~ The assurance must be in writing and may include a stipulation for the voluntary payment of the cost commensurate with the acts or practices and an amount necessary to restore money or property which may have been acquired by the alleged violator because of the acts or practices.

~~C2.~~ An assurance of voluntary compliance may not be considered an admission of a violation(s) for any purpose or a finding of a violation(s) by the State Licensing Authority; however, ~~proof of failure to comply with the assurance of voluntary compliance is prima facie evidence of a violation of the Retail Code, or the rules and regulation thereunder~~ the assurance of voluntary compliance shall constitute evidence in any subsequent administrative proceeding that Licensee entered into an agreement to comply with the Retail Code, and/or the rules promulgated thereunder.

~~D3.~~ The State Licensing Authority may approve or review an assurance of voluntary compliance.

C. Neither a written warning or an assurance of voluntary compliance constitutes a disciplinary action.

R 1300 Series – Discipline

Basis and Purpose – R 1301

The statutory authority for this rule ~~is found at~~ includes but is not limited to sections 44-12-202(2)(b), 44-12-202(2)(c), 44-12-202(3)(a)(I), 44-12-202(3)(a)(XVI), 44-12-202(3)(c)(VIII), 44-12-601, and 24-4-105 C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(a)(I). The purpose of this rule is to clarify how the disciplinary process for non- summary license suspensions and license revocations is initiated.

R 1301 – Disciplinary Process: Non-Summary Suspensions

A. How a Disciplinary Action is Initiated

1. If the State Licensing Authority, on its own initiative or based on a complaint, has reasonable cause to believe that a Licensee has violated the Retail Code, any rule promulgated pursuant to it, or any of its orders, the State Licensing Authority shall issue and serve upon the Licensee an Order to Show Cause (administrative citation) as to why its license should not be suspended, revoked, restricted, fined, or subject to other disciplinary sanction.
2. The Order to Show Cause shall identify the statute, rule, regulation, or order allegedly violated, and the facts alleged to constitute the violation. The order shall also provide an advisement that the license could be suspended, revoked, restricted, fined, or subject to

other disciplinary sanction should the charges contained in the notice be sustained upon final hearing.

- B. Disciplinary Hearings. Disciplinary hearings will be conducted in accordance with Rule R 1304 – Administrative Hearings.
- C. Renewal. The issuance of an Order to Show Cause does not relieve the Licensee of the obligation to timely comply with all license renewal requirements.

Basis and Purpose – R 1302

The statutory authority for this rule ~~is found at~~ includes but is not limited to sections 44-12-202(2)(b), 44-12-202(2)(c), 44-12-202(3)(a)(I), 44-12-202(3)(a)(XVI) 44-12-202(3)(c)(VIII), 24-4-104(4)(a), 44-12-601, and 24-4-105, C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(a)(I). The purpose of this rule is to set forth the process for summary suspensions when the State Licensing Authority has cause to immediately suspend a license prior to and pending a hearing and final agency order. Summary suspensions will be imposed when the State Licensing Authority has reason to believe and finds that a Licensee has been guilty of a deliberate and willful violation of any applicable law or regulation, or that the public health, safety, and welfare imperatively require emergency action. The rule ensures proper due process for Licensees when their licenses are temporarily or summarily suspended by requiring prompt initiation of disciplinary proceedings after such suspensions. The purpose of the modifications to this rule is to clarify that the hearing following the Order of Summary Suspension concerns the allegations set forth in the Order to Show Cause.

R 1302 – Summary Suspensions

- A. How a Summary Suspension Action is Initiated
 - 1. When the State Licensing Authority has reasonable grounds to believe and finds that a Licensee has been guilty of a deliberate and willful violation of any applicable law or regulation or that the public health, safety, or welfare imperatively requires emergency action it shall serve upon the Licensee a Summary Suspension Order that temporarily or summarily suspends the license.
 - 2. The Summary Suspension Order shall identify the nature of the State Licensing Authority's basis for the summary suspension. The Summary Suspension Order shall also provide an advisement that the Licensee may be subject to further discipline or revocation following a hearing on an Order to Show Cause.
 - 3. Proceedings for suspension or revocation shall be promptly instituted and determined after the Summary Suspension Order is issued in accordance with the following procedure:
 - a. After the Summary Suspension Order is issued, the State Licensing Authority shall promptly issue and serve upon the Licensee an Order to Show Cause (administrative citation) as to why the Licensee's license should not be suspended, revoked, restricted, fined, or subject to other disciplinary sanction.
 - b. The Order to Show Cause shall identify the statute, rule, regulation, or order allegedly violated, and the facts alleged to constitute the violation. The Order to Show Cause shall also provide an advisement that the license could be suspended, revoked, restricted, fined or subject to disciplinary sanction should the charges contained in the Order to Show Cause be sustained upon final hearing.

- c. The Order to Show Cause shall be filed with the Department's Hearings Division. The hearing on the allegations set forth in the Order to Show Cause shall be expedited to the extent practicable and will be conducted in accordance with Rule M 1304 – Administrative Hearings.

~~6. Repealed~~

- B. Duration of Summary Suspension. Unless lifted by the State Licensing Authority, the Summary Suspension Order shall remain in effect until issuance of a Final Agency Order.

Basis and Purpose – R 1303

The statutory authority for this rule includes but is not limited to sections 44-12-202(2)(b), 44-12-202(2)(c), 44-12-202(3)(a)(I), 44-12-202(3)(a)(XVI) 44-12-202(3)(c)(VIII), 24-4-104(4)(a), 44-12-601, and 24-4-105, C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(a)(I). The State Licensing Authority recognizes that if Licensees are not able to care for their products during a period of active suspension, then their plants could die, their edible products could deteriorate, and their on-hand inventory may not be properly maintained. Accordingly, this rule was written to clarify that Licensees whose licenses are summarily suspended may care for on-hand inventory, manufactured products, and plants during the suspension (unless the State Licensing Authority does not allow such activity), provided the Licensed Premises and all Retail Marijuana, Retail Marijuana Concentrate, and Retail Marijuana Product are adequately secured. In addition, the rule clarifies what activity is always prohibited during such suspension.

R 1303 – Suspension Process: Regular and Summary Suspensions

- A. Signs Required During Suspension. Every Licensee whose license has been suspended, whether summarily or after an administrative hearing, shall post two notices in conspicuous places, one on the exterior and one on the interior of its premises, for the duration of the suspension. The notices shall be at least 17 inches in length and 11 inches in width containing lettering not less 1/2" in height.

1. For suspension following issuance of a Final Agency Order, the sign shall be in the following form:

NOTICE OF SUSPENSION

RETAIL MARIJUANA LICENSES ISSUED

FOR THESE PREMISES HAVE BEEN

SUSPENDED BY ORDER OF THE STATE LICENSING AUTHORITY

FOR VIOLATION OF THE COLORADO RETAIL MARIJUANA CODE

2. For a summary suspension pending issuance of a Final Agency Order, the sign shall be in the following form:

NOTICE OF SUSPENSION

RETAIL MARIJUANA LICENSES ISSUED

FOR THESE PREMISES HAVE BEEN

SUSPENDED BY ORDER OF THE STATE LICENSING AUTHORITY

FOR ALLEGED VIOLATION OF THE COLORADO RETAIL MARIJUANA CODE

Any advertisement or posted signs that indicate that the premises have been closed or business suspended for any reason other than by the manner described in this rule shall be deemed a violation of these rules.

B. Prohibited Activity During Active Suspension

1. Unless otherwise ordered by the State Licensing Authority, during any period of active license suspension the Licensee shall not permit the, serving, giving away, distribution, manufacture, sampling, acquisition, purchase, Transfer, or transport of Retail Marijuana, Retail Marijuana Concentrate, or Retail Marijuana Product on the Licensed Premises, nor allow customers to enter the Licensed Premises.
2. Unless otherwise ordered by the State Licensing Authority, during any period of suspension the Licensee may continue to possess, maintain, cultivate or harvest Retail Marijuana, Retail Marijuana Concentrate, or Retail Marijuana Product on the Licensed Premises. The Licensee must fully account for all such Retail Marijuana, Retail Marijuana Concentrate, and Retail Marijuana Product in the Inventory Tracking System. The Licensee must safeguard any Retail Marijuana or Retail Marijuana Product in its possession or control. The Licensee must maintain the Licensed Premises in reasonable condition according to health, safety, and sanitary standards, and must fully comply with all security requirements including but not limited to surveillance, lock and alarm requirements set forth in the Retail Code and the rules of the State Licensing Authority.

C. Removal and Destruction of Marijuana, Retail Marijuana Concentrate, and Marijuana Product. Retail Marijuana and Retail Marijuana Product shall not be removed from the Licensed Premises or destroyed unless and until:

1. The provisions described in section 44-12-602, C.R.S., related to the proper destruction of unauthorized marijuana are met, and the State Licensing Authority orders forfeiture and destruction. See also Rule R 1203 – Disposition of Unauthorized Retail Marijuana;
2. The Licensee has voluntarily surrendered the Retail Marijuana, Retail Marijuana Concentrate, or Retail Marijuana Product in accordance with Rule R 1202(C) – Voluntary Surrender;
3. The State Licensing Authority has seized the Retail Marijuana, Retail Marijuana Concentrate, or Retail Marijuana Product pursuant to an Administrative Warrant. See Rule R 1309 – Administrative Warrant.

D. Renewal. The issuance of a suspension or an Order of Summary Suspension does not relieve the Licensee of the obligation to timely comply with all license renewal requirements.

Basis and Purpose – R 1304

The statutory authority for this rule ~~is found at~~ includes but is not limited to sections 44-12-202(2)(b), 44-12-202(2)(c), 44-12-202(2)(d), 44-12-202(3)(a)(I), 44-12-202(3)(a)(XVI), 44-12-202(3)(c)(VIII), 44-11-202(1)(d), 44-12-601, 24-4-104, and 24-4-105, C.R.S. Authority also exists in the Colorado Constitution at Article XVIII, Subsection 16(5)(a)(I). The purpose of this rule is to establish what entity conducts the administrative hearings, the procedures governing administrative hearings, and other general hearings issues. The purpose of the modifications to this rule is to clarify that the hearing following the Order of Summary Suspension concerns the allegations set forth in the Order to Show Cause, and to clarify that an answer is required only for two types of administrative notices: an Order to Show Cause and a Notice of Grounds for Denial.

R 1304 – Administrative Hearings

A. General Procedures

1. Hearing Location. Hearings will generally be conducted by the Department's Hearings Division. Unless the hearing officer orders a change of location based on good cause, as described in this rule, hearings generally will be conducted at a location in the greater Denver metropolitan area to be determined by the hearing officer. Under unusual circumstances where justice, judicial economy and convenience of the parties would be served, hearings may be held in other locations in the state of Colorado.
2. Scope of Hearing Rules. This rule shall be construed to promote the just and efficient determination of all matters presented.
3. Right to Legal Counsel. Any Denied Applicant or Respondent has a right to legal counsel throughout all processes described in rules associated with the denial of an application and disciplinary action. Such counsel shall be provided solely at the Denied Applicant's or Respondent's expense.

B. Requesting a Hearing

1. A Denied Applicant that has been served with a Notice of Denial may request a hearing within 60 days of the service of the Notice of Denial by making a written request for a hearing to the Division. The request must be submitted by United States mail or by hand delivery. Email or fax requests will not be considered. The request must be sent to the mailing address of the Division's headquarters, as listed on the Division's website. Include "Attn: Hearing Request" in the mailing address. The written request for a hearing must be received by the Division within the time stated in the Notice of Denial. An untimely request for hearing will not be considered.
2. A Denied Applicant that timely requests a hearing following issuance of a Notice of Denial shall be served with a Notice of Grounds for Denial, and shall be entitled to a hearing regarding the matters addressed therein.
3. A Respondent that has been served with an Order to Show Cause shall be entitled to a hearing regarding the matters addressed therein.

C. When a Responsive Pleading is Required

1. A Respondent shall file a written answer with the Hearings Division and the Division within 30 days after the date of mailing of any Order to Show Cause. The written answer shall comply with the requirements of Rule 8 of the Colorado Rules of Civil Procedure. If a Respondent fails to file a required answer, the Hearing Officer, upon motion, may enter a default against that Person pursuant to section 24-4-105(2)(b), C.R.S. For good cause, as described in this rule, shown, the hearing officer may set aside the entry of default within ten days after the date of such entry.
2. A Denied Applicant shall file a written answer with the Hearings Division and the Division within 30 days after the date of mailing of any Notice of Grounds for Denial. 2. Notice of Hearing. The Hearings Division shall notify the Division and Denied Applicant or Respondent of the date, place, time and nature of the hearing regarding denial of the license application or whether discipline should be imposed against the Respondent's license at least 30 days prior to the date of such hearing, unless otherwise agreed to by both parties. This notice shall be sent to the Denied Applicant or Respondent in writing by first-class mail to the last mailing address of record. Hearings shall be scheduled and held as soon as is practicable.
 - a. If an Order of Summary Suspension has issued, the hearing on the Order to Show Cause will be scheduled and held promptly.
 - b. Continuances may be granted for good cause, as described in this rule, shown. A motion for a continuance must be timely.
 - c. For purposes of this rule, good cause may include but is not limited to: death or incapacitation of a party or an attorney for a party; a court order staying proceedings or otherwise necessitating a continuance; entry or substitution of an attorney for a party a reasonable time prior to the hearing, if the entry or substitution reasonably requires a postponement of the hearing; a change in the parties or pleadings sufficiently significant to require a postponement; a showing that more time is clearly necessary to complete authorized discovery or other mandatory preparation for the hearing; or agreement of the parties to a settlement of the case which has been or will likely be approved by the final decision maker. Good cause normally will not include the following: unavailability of counsel because of engagement in another judicial or administrative proceeding, unless the other proceeding was involuntarily set subsequent to the setting in the present case; unavailability of a necessary witness, if the witness' testimony can be taken by telephone or by deposition; or failure of an attorney or a party timely to prepare for the hearing.

E. Prehearing Matters Generally

1. Prehearing Conferences Once a Hearing is Set. Prehearing conferences may be held at the discretion of the hearing officer upon request of any party, or upon the Hearing Officer's own motion. If a prehearing conference is held and a prehearing order is issued by the Hearing Officer, the prehearing order will control the course of the proceedings. Such prehearing conferences may occur by telephone.
2. Depositions. Depositions are generally not allowed; however, a hearing officer has discretion to allow a deposition if a party files a written motion and can show why such deposition is necessary to prove its case. When a hearing officer grants a motion for a deposition, C.R.C.P. 30 controls. Hearings will not be continued because a deposition is allowed unless (a) both parties stipulate to a continuance and the hearing officer grants the continuance, or (b) the hearing officer grants a continuance over the objection of any party in accordance with subsections (D)(2)(b) and (c) of this ~~Rule~~.
3. Prehearing Statements Once a Hearing is Set. Prehearing Statements are required and unless otherwise ordered by the hearing officer, each party shall file with the hearing officer and serve on each party a prehearing statement no later than seven calendar days prior to the hearing. Parties shall also exchange exhibits at that time. Parties shall not file

exhibits with the Hearing Officer. Parties shall exchange exhibits by the date on which prehearing statements are to be filed. Prehearing statements shall include the following information:

- a. Witnesses. The name, mailing address, and telephone number of any witness whom the party may call at hearing, together with a detailed statement of the expected testimony.
 - b. Experts. The name, mailing address, and brief summary of the qualifications of any expert witness a party may call at hearing, together with a statement that details the opinions to which each expert is expected to testify. These requirements may be satisfied by the incorporation of an expert's resume or report containing the required information.
 - c. Exhibits. A description of any physical or documentary evidence to be offered into evidence at the hearing. Exhibits should be identified as follows: Division using numbers and Denied Applicant or Respondent using letters.
 - d. Stipulations. A list of all stipulations of fact or law reached, as well as a list of any additional stipulations requested or offered to facilitate disposition of the case.
4. Prehearing Statements Binding. The information provided in a party's prehearing statement shall be binding on that party throughout the course of the hearing unless modified to prevent manifest injustice. New witnesses or exhibits may be added only if: (1) the need to do so was not reasonably foreseeable at the time of filing of the prehearing statement; (2) it would not prejudice other parties; and (3) it would not necessitate a delay of the hearing.
 5. Consequence of Not Filing a Prehearing Statement Once a Hearing is Set. If a party does not timely file a prehearing statement, the hearing officer may impose appropriate sanctions including, but not limited to, striking proposed witnesses and exhibits.

F. Conduct of Hearings

1. The hearing officer shall cause all hearings to be electronically recorded.
2. The hearing officer may allow a hearing, or any portion of the hearing, to be conducted in real time by telephone or other electronic means. If a party is appearing by telephone, the party must provide actual copies of the exhibits to be offered into evidence at the hearing to the hearing officer when the prehearing statement is filed.
3. The hearing officer shall administer oaths to all witnesses at hearing. The hearing officer may question any witness.
4. The hearing, including testimony and exhibits, shall be open to the public unless otherwise ordered by the hearing officer in accordance with a specific provision of law.
 - a. Reports and other information that would otherwise be confidential pursuant to Subsections 44-11-202(1)(d) and 44-12-202(2)(d), C.R.S., may be introduced as exhibits at hearing.
 - b. Any party may move the hearing officer to seal an exhibit or order other appropriate relief if necessary to safeguard the confidentiality of evidence.
5. Court Rules.

- a. To the extent practicable, the Colorado Rules of Evidence apply. Unless the context requires otherwise, whenever the word “court,” “judge,” or “jury” appears in the Colorado Rules of Evidence, such word shall be construed to mean a Hearing Officer. A hearing officer has discretion to consider evidence not admissible under such rules, including but not limited to hearsay evidence, pursuant to section 24-4-105(7), C.R.S.
 - b. To the extent practicable, the Colorado Rules of Civil Procedure apply. However, Colorado Rules of Civil Procedure 16 and 26-37 do not apply, although parties are encouraged to voluntarily work together to resolve the case, simplify issues, and exchange information relevant to the case prior to a hearing. The State Licensing Authority considered the type of violation and the threat of harm to the public versus purely administrative harm when setting the penalty structure. Based upon public testimony and a written commentary, Rule R 1307(A) was amended to include additional license violations affecting public safety and Rule R 1307(C.1) was added.

R 1307 – Penalties

- A. Penalty Schedule. The State Licensing Authority will make determinations regarding the type of penalty to impose based on the severity of the violation in the following categories:

 3. For all administrative offenses involving a proposed suspension, a Licensee may petition the State Licensing Authority for permission to pay a monetary fine, within the provisions of section 44-12-601, C.R.S., in lieu of having its license suspended for all or part of the suspension.

R 1503 – Retail Marijuana Testing Program – Potency Testing

- A. Potency Testing – General

1. Test Batches. A Test Batch submitted for potency testing may only be comprised of Samples that are of the same strain of Retail Marijuana or from the same Production Batch of Retail Marijuana Concentrate or Retail Marijuana Product.
2. Cannabinoid Profile. A potency test conducted pursuant to this rule must at least determine the level of concentration of THC, THCA, CBD, CBDA and CBN.

B. Potency Testing for Retail Marijuana.

1. Initial Potency Testing. A Retail Marijuana Cultivation Facility must have potency tests conducted by a Retail Marijuana Testing Facility on four Harvest Batches, created a minimum of one week apart, for each strain of Retail Marijuana that it cultivates.
 - a. The first potency test must be conducted on each strain prior to the Retail Marijuana Cultivation Facility Transferring or processing into a Retail Marijuana Concentrate any Retail Marijuana of that strain.

Facility must inform the Retail Marijuana Testing Facility of exactly which portions of the Retail Marijuana Product are infused and which portions are not infused.

E. Process Validation - Potency and Homogeneity

1. A Retail Marijuana Products Manufacturing Facility may process validate potency and homogeneity for each type of Retail Marijuana Product it manufactures.
2. A Retail Marijuana Products Manufacturing Facility's production process for a particular type of Retail Marijuana Product shall be deemed valid regarding potency and homogeneity if every Production Batch that it produces for that particular type of Edible Retail Marijuana Product during at least a four-week period but no longer than an eight-week period passes all potency and homogeneity tests required by Rule R 1503(D)(2). This must include at least four Test Batches.
3. Expiration of Process Validation. Once a Retail Marijuana Products Manufacturing Facility shall be required to re-validate its process every 12 months from the date process validation is achieved, after which point the process validation expires. If the process validation expires, the Retail Marijuana Products Manufacturing Facility shall comply with the requirements of Paragraph (D)(1) of this Rule.
4. Retail Marijuana Product Ongoing Potency and Homogeneity Testing. After successfully obtaining process validation, once per quarter a Retail Marijuana Products Manufacturing Facility shall subject at least one Production Batch of each type of Retail Marijuana Product that it produces to potency and homogeneity testing required by Paragraph (D) of this Rule. If during any quarter a Retail Marijuana Products Manufacturing Facility does not possess a Production Batch that is ready for testing, the Retail Marijuana Products Manufacturing Facility must subject its first Production Batch that is ready for testing to the required potency and homogeneity testing prior to Transfer or processing of the Retail Marijuana. If a Test Batch submitted for ongoing potency and homogeneity testing fails potency and homogeneity testing, the Retail Marijuana Products Manufacturing Facility shall follow the procedure in Paragraph (F)(2) of this Rule. Ongoing potency and homogeneity testing pursuant to this Rule R 1503 shall be subject to the requirements in Rule R 1504. See Rule R 1504(A) – Collection of Samples.
