

Eric Chen

*Founding Executive/Investor, Executive Vice President
and General Counsel*

Global Infrastructure Solutions Inc.

Panel: Mergers & Acquisitions | 10:45–11:45 am

Eric Chen is a Founding Executive / Investor, and the EVP of Global Infrastructure Solutions Inc, a large E&C multinational. As EVP, Eric helps lead GSI's capital markets and M&A activities. Previously, he served as SVP of AECOM for 17 years, and GC for eight of those years.

He led the execution of AECOM's numerous M&As, managed its 2007 IPO (the largest IPO in the E&C sector), instituted an ethics program resulting in AECOM being recognized by Ethisphere as one of the "World's Most Ethical Companies," and served as Vice Chairman of AECOM's pension and retirement committee.

Eric also served as an outside director of a family-owned heavy civil contractor and an ESOP-owned building mechanical and HVAC contractor.
