Senior Vice President, Government Compliance & Internal Audit

CACI International Inc

Panel: Cost Accounting Standards Changes |
2-2:30 pm

Kristin Torcasi serves as the Senior Vice President of Government Compliance & Internal Audit at CACI International Inc. In this leadership role, she draws upon her deep expertise in federal procurement, regulatory compliance, and internal controls to oversee the enterprise-wide Government Compliance function, which includes preparing government submissions and supporting their audits. She also manages the Internal Audit department, focusing on the evaluation of internal controls over financial reporting as well as operational and risk-focused reviews of enterprise processes.

With prior leadership roles at public accounting and consulting firms, Kristin Torcasi has managed complex compliance projects, performed cost impact analyses, led business system audits, and supported litigation and acquisition integration. Kristin is recognized for developing and delivering government contract training courses, speaking at industry conferences, and serving as a subject matter expert for senior management.

Kristin is a Certified Public Accountant (Virginia) and an active member of professional associations including NDIA, FEI, PSC, AICPA, and VSCPA.
