Charlie is a corporate lawyer who assists cannabis operators and health and life sciences companies in mergers and acquisitions, financing transactions, corporate governance and other general corporate matters.

His experience also includes work for construction companies, software providers, print manufacturing and labeling companies, and government contractors.

Cannabis Industry

Charlie is a member of the firm's Cannabis Law Practice and has assisted established and growing companies in a variety of transactions and governance matters, including:

- the sale of recreational and medical marijuana licenses and facilities in Massachusetts
- the purchase of two marijuana dispensaries in Illinois
- the sale of two conditional adult-use licenses in Illinois
- capital raising transactions
- drafting various board resolutions
- drafting organizational documents

Health Care Sector

Charlie has extensive experience assisting in major transactions for health care clients, including a \$2.1 billion sale of a hospital system to a regional provider and a series of sales of behavioral health facilities to private equity buyers across three states with a transaction total of more than \$50 million.

Charlie has also assisted a medical device manufacturer in national and international sales and a medical consulting company in its \$25 million sale to private equity buyer.
