Tel: 404.870.3763

Fax: 404.962.1200

Beau is the regional practice lead for the firm's Labor & Employment Department in Atlanta. He has a diverse employment law practice advising and serving businesses in a wide range of industries.

He frequently defends against administrative claims before the EEOC and the U.S. Department of Labor, as well as employment lawsuits in the state and federal courts. In addition, Beau is also an experienced business litigation attorney, including claims involving allegations of fraud and fraudulent billing practices in the health care and real estate industries.

His experience includes:

- Arbitration claims
- *Qui tam* actions involving claims of health care fraud
- Affordable Care Act abatements
- Business divorce litigation
- Class action and collective action
- Confidentiality agreements
- Development of enforceable mediation and arbitration programs
- FLSA compliance
- Noncompete agreements and non-solicitation agreements
- Pay practices and policies
- Proper classification of independent contractors and employees
- Proper classification of employees as exempt or non-exempt
- Trade secrets related to departing employees
- Traditional labor matters, including proceedings before the NLRB
- Unfair labor practices claims
- Union avoidance, planning, and strategy

Beau also has a particular fluency in privacy law, internet forensics and business litigation. He represents businesses and individuals in lawsuits involving wrongdoing over the Internet, including defamation, computer hacking, identity theft and theft of confidential business information.
