Grant assists clients in a wide variety of business transactions, including the purchase and sale of assets and stocks. He also provides guidance on corporate governance and advises companies in highly regulated industries on compliance and licensing.

A member of the firm's Automotive Practice Group, Grant has experience in representing both buyers and sellers in sales of dealerships and drafting operating agreements. He also guides dealerships in complying with state franchise laws.

As a member of the Cannabis Law Practice Group, Grant has assisted clients with cannabis licensing applications and has prepared operating agreements and other entity documents for clients in the cannabis space.

Services

- Corporate
- Mergers & Acquisitions
