Lindsay advises clients on a broad range of real estate financing matters and assists with the structuring of joint venture, preferred equity and land banking transactions.

She guides clients through complicated real estate transactions from start to finish, including bridge, mezzanine and construction loan originations. Lindsay facilitates clients' repurchase agreements and collateralized loan obligation issuances. She prepares and negotiates documentation for all aspects of deals and reviews easements, entitlements and related matters. Lindsay also provides advice on issues that may arise from title, survey and other due diligence.

Lindsay has significant experience representing mortgage banking clients nationwide originating, selling and servicing loan transactions sold to secondary market investors through Fannie Mae, Freddie Mac and HUD programs.
